Third time the charm for GHS improvement?

Bond issue and two board seats on June 14 ballot

by Cheryl Ruley
Staff Writer

On June 14, taxpayers in the Crawford AuSable School District will go to the polls to vote for two four-year term school board members and to decide if Grayling High School will receive over \$14.9 mil-

lion in improvements and additions.

This will be the third time the district has taken the improvement issue to the taxpayers, some of whom are also located in Kalkaska and Otsego Counties. However, this time a new roof for Grayling Middle School has been added, at no extra

cost, to the original plan. This is possible because of favorable rates in the bond market.

The proposal reads: *Shall Crawford AuSable School District, Crawford, Otsego, and Kalkaska Counties, Michigan, borrow the sum of not to exceed Fourteen Million*

Nine Hundred Forty Thousand Dollars (\$14,940,000) and issue its general obligation unlimited tax bonds therefore, for the purpose of erecting, furnishing and equipping additions to, and partially remodeling, refurbishing and re-equipping the existing high school; replacing

the middle school roof; acquiring and installing technology equipment for the high school; and developing and improving the site? (Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

If the bond proposal passes, Grayling High School would undergo major alterations, additions and upgrades, including a new heating and ventilation system, new gymnasium, expansion of the auditorium and its seating capacity, a new roof, and a new main entrance.

State-of-the-art science classrooms/labs, storage space for drama, choir, and band would be added and a new kitchen and cafeteria would be built.

Having a larger cafeteria built will eliminate the current practice of "split lunch," where some students go to their class for half of a period, break for lunch, then go back to the same classroom and try to pick up where they left off.

The heating and ventilation problems, as well as the leaking roof, have been problems for at least four years. Some students have complained that in one classroom it is so cold that a coat must be worn or their fingers "turn blue" and in their

next class it is "T-shirt weather." The district currently spends over \$40,000 per year in the form of a maintenance agreement to keep the old system running.

Stained or missing ceiling tiles along with catch buckets dot the school when it rains or the snow begins to melt - evidence of a roof with too many leaks created over the last 26 years by repairs to the ventilation system and tons of snow. Superintendent Kent Reynolds commented during the last bond issue campaign in December, 1998, "The roof is almost porous from all the repair work done over the years."

How much does each election cost the taxpayers? About \$3,500. The State of Michigan mandates that an annual school election be held in every district to rotate school board seat openings. Because of this law, Monday's election, and that of June, 1998 are at no extra cost to the school district. However, the December, 1998 election contained only the high school issue.

Up for election for two seats on the school board are Melvin "Pat" Nunn, Susanne Somero, Charlotte Sullivan Mosel, and Ted Gomez. They are running against incumbents James McMillan and Gary Pettyjohn.

Each seat consists of a four-year term ending in 2003.

FAT TIRE FESTIVAL - Hanson Hills Recreation Area was the site of the Fat Tire Festival, June 5 and 6. In oppressive heat and nearly unbearable humidity, mountain bike racers, from novice to expert/pro, pedaled over the hilly trails and spectators cheered them on. Results of the weekends events can be found on Page 4B.

City Council close to adopting new budget

by Caleb Casey
Staff Writer

The Grayling City Council went over the proposed budget for the city's next fiscal year line-by-line on Wednesday, June 2, at a special budget study session.

The council members examined the proposed budget and discussed a few items, including a new provision in the budget this year: \$10,000 for "downtown improvement."

City Manager Jerry Morford said the money could be used by the Downtown Development Authority if the city decides to adopt it, or other downtown improvements if the DDA is not adopted.

Council person D.J. Brown mentioned the request by the Chamber

of Commerce and Grayling Uptown District Association (GUDA) asking the city for financial help with downtown snow removal.

Morford said that part of the "downtown improvement" money could be used for that purpose, but snow removal would most likely be a DDA project, if it is adopted.

Council person Marilyn Palmer asked if the council could appropriate more than \$10,000 for downtown improvement.

"That was an item never before put in. I thought it was a lot of money for the first time being in there," said Morford.

Mayor Ralph Stevens and Councilman Robert Golnick agreed that \$10,000 was sufficient.

The only revision that came out

of the June 2 study session was with regards to "employee recognition."

At the recommendation of Palmer, the council decided by consensus to increase "employee recognition" budgeted funds from the proposed \$1,000 to \$1,700 in order to cover \$15 gift certificates for approximately 45 city employees during the holiday season.

At the conclusion of the session, Morford and City Treasurer Terry McGregor said the overall financial outlook for the city looked good.

McGregor reported that the city is operating with about a seven-month surplus of funds in reserve.

"Prudent government works with six to nine months working budget in reserve. Many governments don't, we do," said Morford. "We

are in sound financial shape and I'm very happy about that."

The City Council will hold a public hearing on Monday, June 14, at its regular meeting time (7:30 p.m.) to hear from the public regarding the proposed budget. After closing the hearing, the council expects to vote on the adoption of the budget at the June 14 meeting.

The proposed budget in its entirety is available for public inspection at Grayling City Hall from 8:30 a.m. to 4:30 p.m., Monday through Friday.

by Cheryl Ruley
Staff Writer

It seems that every time a school election rolls around, like the one scheduled for Monday, June 14, some local citizens forget or are confused about where they are supposed to cast their ballots.

Polling places differ from those of general elections or primaries, so voters should check their Voter's Registration I.D. card for the correct school election polling location.

There are only three precincts formed for school elections:

Precinct No. 1 consists of all of Grayling Township, the City of Grayling, and the portions of Beaver Creek Township and Bear Lake

Township in Kalkaska County which sends kids to Crawford AuSable Schools. Voters in Precinct No. 1 go to the Grayling Middle School to vote.

Precinct No. 2 consists of all of Frederic and Maple Forest Townships, as well as that portion of Otsego Lake Township in Otsego County that sends kids to Crawford AuSable Schools. Voters in Precinct No. 2 go to the Frederic Elementary School to vote in school elections.

Precinct No. 3 consists of just those in Lovells Township and voting takes place at the Lovells Township Hall.

Polls will be open on election day from 7 a.m. to 8 p.m.

Annual Training periods start at Camp Grayling

by Col. Gary J. McConnell
Commander, Camp Grayling

Annual Training periods at Camp Grayling started on Saturday, May 29, with the arrival of the Oklahoma Army National Guard's 45th Field Artillery Brigade and one of their subordinate units, the 1/158th Field Artillery Battalion -- Multiple Launch Rocket System (MLRS).

The 45th FA Brigade is based out of Enid, Oklahoma and is commanded by Col. Larry Haub. Col. Haub (then Lt. Col. Haub) commanded the 1/158th FA Battalion during their deployment in Desert Shield/Desert Storm and participated in the spearhead assault into Iraq.

The unit was distinguished by the U.S. Army "for putting more

artillery rounds on enemy targets" than any other Army Field Artillery unit. The 1/158th FA Battalion, based out of Lawton, Oklahoma has another distinction: having the first female Battery commander in Oklahoma Army National Guard history.

With the change in Army policy opening up more positions to female soldiers, Capt. Teresa Herbert recently assumed command of the Headquarters and Headquarters Battery (HHB).

The unit's training mission is to conduct a Field Training Exercise (FTX), which includes multiple maneuver and dry fire exercises.

Live fire will take place on June 7 on the Multi-Purpose Range

Complex (MPRC).

The Command noted that they are impressed with the Camp Grayling facility, the friendliness of the local community, and the customer-service attitude of the staff at Camp Grayling.

On Saturday, June 12, a combined exercise will begin with a large portion of the Michigan Army National Guard, another Battalion of the Oklahoma Army National Guard, and several other Reserve Component units. Approximately 6,000 soldiers will arrive and deploy to field locations to conduct tactical FTXs utilizing the various

Two principals retire, but plan to stay involved

by Cheryl Ruley
 Staff Writer

A trip to the principal's office at either Frederic Elementary School or Grayling Middle School will be a new experience this fall as Crawford AuSable Schools loses two long-time administrators to retirement.

Melvin G. "Pat" Nunn has spent the last 37

MEMORIES - Retiring Frederic Elementary School Principal Melvin "Pat" Nunn does a little reminiscing after discovering he had saved a collection of students' creative writing and drawings dated back in 1976.

years of his life as an educator, 28 of which he served as an elementary principal in the Crawford AuSable School District. Now, he is running for a school board seat in the June 14 election.

Nunn will be most remembered for wearing Looney Toons ties and for establishing a good relationship with the Frederic community.

"I'm hoping that I touched and changed one kid each year," said Nunn. "If I accomplished that, then I've been successful."

Nunn said he has always had the philosophy that all kids should get the same opportunities to succeed - "no matter what their name is, no matter what their family income is." He also remarked, "I'm a firm believer that we will need electricians, plumbers, mechanics and tradesman in the future. The high school diploma is extremely important and graduates should leave high school with at least one marketable skill."

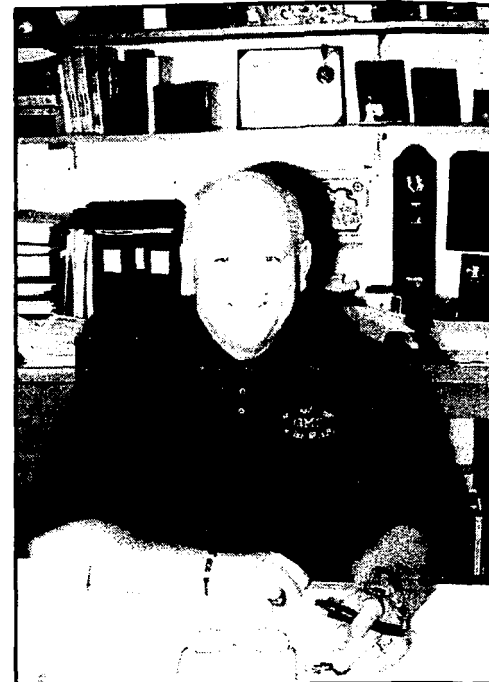

Michael J. Branch has spent the last 26 years as an administrator in the Crawford AuSable Schools and a total of 34 years as an educator. "I've enjoyed my job immensely," Branch said. "I hope to continue to work with kids in the district, especially those that are homebound for whatever reason. I will help however I can."

Branch was responsible for bringing the motto of *Where the Good Stuff's in the Middle* to GMS. "I like to promote the idea that 'you are good' to every kid in the school," Branch said. "The vast majority of students are respectful and like school. I'm proud to tell people that I am part of a community that continues to be good. I guess the biggest change has been the divorce rate and the adverse effect it has had on the children. Parental involvement continues to be the most important element in the success of a child in school and in life."

Daniel Pummell will move up from her position as assistant principal to become principal of

GMS. Jeff Branch, son of the retiring principal, will return to his hometown to take over the assistant principal position.

A replacement for Nunn has not yet been hired.

Photos by Cheryl Ruley

MOVING ON - Surrounded by years of memorabilia, including a larger-than-life Oreo cookie, a reminder of the Grayling Middle School motto, "Where the good stuff's in the middle," principal Mike Branch said his retirement won't "hit him" until late August, when he won't be returning to his desk and office.

What do you know about Flag Day? Here's a little test

by Susan Warrington
 Staff Writer

What do you know about our flag and Flag Day? Here's a pop quiz to help you find out.

1. Which flag is the oldest? (a) The Union Jack of Great Britain (b) The Tricolor of France (c) The Stars and Stripes of the United States
2. What day is Flag Day? Why is it that day?
3. Where was the Stars and Stripes first displayed by the Continental Army? (a) Massachusetts (b) New York (c) Pennsylvania

4. Who wrote the Star Spangled Banner? During which war?
5. (True/False) The U.S. flag has always had 13 stripes.

Answers:

1. c. The U.S. Flag was adopted in 1777. The Tricolor was adopted in 1798 and the Union Jack was adopted in 1801.
2. Flag Day is June 14, the birthday of the flag. On June 14, 1777, Congress passed an act stating "That the Flag of the thirteen United States be thirteen stripes, alternate red and white, that the union be thirteen stars, white in a blue field, representing a new con-

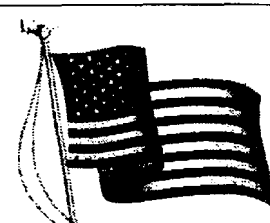

stellation."

3. b. The Stars and Stripes was first displayed when the Continental Army raised it over Fort Stanwix, New York, on August 3, 1777.
4. Francis Scott Key wrote the Star Spangled Banner during the War of 1812.

5. False - For 23 years, from 1794 to 1817 the flag had 15 stripes and 15 stars (Vermont and Kentucky had joined the union in 1794). In fact, the flag that Francis Scott Key saw had 15 stripes.

In April, 1818, Congress passed an act designating a flag with thirteen stripes, alternating red and white, with a union displaying twenty stars, representing the number of states then in the Union. It also stated that as new states were accepted into the Union a star would be added to the flag on the following July 4th.

There is also a Federal Flag Code which is the guide for handling and displaying the Stars and Stripes. If you are interested in reading the code you can find it on the web. One site that has it is the VFW site: www.vfw.org/catalog/index.shtml

How to Fly the Flag

- The flag should be displayed only from sunrise to sunset. However, it may be displayed 24 hours a day if properly illuminated during the hours of darkness.
- The flag should not be displayed on days when the weather is inclement, except when an all weather flag is displayed.
- When it is displayed from a staff projecting horizontally or at an angle the union of the flag should be placed at the peak of the staff.
- When displayed either horizontally or vertically against a wall, the union should be uppermost and to the flag's own right, that is to the observer's left. When displayed in a window, the flag should be displayed in the same way, with the union to the left of the observer in the street.

Adult Education turns out 54 graduates

Photo by Cheryl Ruley

ADULT EDUCATION GRADS - Shown is just a representation of 42 people who earned their GED certificates through the Adult, Alternative and Community Education Program. Twelve people also earned High School Diplomas through the program. Shown are Nina Emmendorfer, Theresa Strait-Lepsey, Bessie Potts, Paula Hoover, Deanne Vance and John Johnson. Fall enrollment for the program begins August 23.

by Cheryl Ruley
Staff Writer

The Crawford AuSable School District's Community Education Awards Picnic was held May 26 at St. Mary's Learning Center in recognition of 54 people who either earned their high school diploma or equivalent (GED) through the Adult, Alternative and Community Education Program.

Five GED recipients received special achievement awards for qualifying for a Kirtland Community College Scholarship. They were Brandon Colby, Lynn Kerr, Ryan Nelson, Beatrice Prieskorn, and Jeffrey Prieskorn.

Theresa Strait-Lepsey was this year's recipient of the Krystal Brush Scholarship Award for her hard work and diligence in earning her GED. The award is named after the late Crawford County Literacy Network founder, Krystal Brush.

A picnic lunch of grilled bratwurst and knackwurst, along with side dishes and a graduation cake were served to graduates, their families and friends.

KRYSTAL BRUSH SCHOLARSHIP WINNER - GED recipient Theresa Strait-Lepsey receives the good news from Adult, Alternative and Community Education Program Director R. J. Hannan that she is the 1999 Krystal Brush Scholarship winner.

School districts' accreditation extended through Year 2000

Crawford AuSable School District Superintendent Kent Reynolds announced June 2 that the North Central Association of Colleges and Schools (NCA) accreditation has been extended through the 1999-2000 school year for all five schools in the district.

The accreditation award was granted at the NCA's Annual Meeting in Chicago on April 13. Schools included are: AuSable Primary School, Grayling Elementary School, Frederic Elementary School, Grayling Middle School, and Grayling High School.

"Along with hosting periodic on-site evaluations by a visiting team of educators, each NCA school is accredited on the basis of an annual report on conditions in each

school and on such supplementary information as the Commission on Schools requests," explained Reynolds. "The continued accreditation means that the conditions for effective education exist in each school."

The North Central Association of Colleges and Schools is the largest of the country's regional accrediting agencies. It is a voluntary coalition of over 8,500 schools and over 1,000 colleges and universities in the 19-state region of the central United States.

The Association works with schools to improve the quality of education through a continuous process of accreditation and school improvement.

NCA currently accredits 1,331 schools in Michigan.

Annual training periods commence

Continued from Page 1A
training and maneuver areas of the camp.

The coordination of all training activities for this period will be accomplished by the Michigan State Area Command (STARC) Headquarters from Lansing. They have developed a tactical scenario, which will be used as a common guide for all field training activities.

The STARC Headquarters provides command and control of all elements during this period, in addition to providing overall personnel, logistic, maintenance and intelligence guidance and support for all units during this period.

Maj. Gen. E. Gordon Stump, the Adjutant General of Michigan, and Brig. Gen. Robert V. Taylor, the Assistant Adjutant General for the Army, will be at Camp Grayling for the two-week period.

The Annual Memorial Review will be conducted on the Parade Field on Friday, June 25, at 10 a.m. The event is open to the public, and Camp Grayling extends an invitation to all citizens. The Michigan National Guard Command-in-Chief, Governor John Engler, will again be in attendance.

As the summer progresses, Camp Grayling will notify the public of any events in which the public is invited to attend. The staff at Camp Grayling looks forward to another safe Annual Training period, and the opportunity to provide a state-of-the-art training facility for use by Reserve Component forces.

Additional information can be obtained by calling the Camp Grayling Public Information Office at 344-6107.

Michigan's annual Free Fishing Weekend scheduled for June 12-13

Michigan's annual Free Fishing Weekend will be on June 12-13 this year.

For these two days, all fishing license fees will be waived for both Michigan residents and nonresidents. (All other fishing regulations will still apply.)

Free Fishing Weekend has become a Michigan tradition -- a time we celebrate the wonderful aquatic resources and great fishing opportunities all Michiganders and visitors can enjoy.

Michigan offers some of the finest freshwater fishing in the world, with more than 3,000 miles of Great Lakes shoreline, 11,037 inland lakes and 36,350 miles of rivers and streams, of which, approximately 1,000 miles are considered Michigan's finest "blue ribbon" trout streams.

Free Fishing Weekend is also a great time for experienced anglers to introduce fishing to a friend, child or family member who has never cast a line. Many avid anglers today say they have developed their love of fishing and the outdoors from the knowledge and skill they learned as a child, by fishing with a grandparent or parent.

Michigan's Free Fishing Weekend is held in conjunction with National Fishing Week. Next year's celebration will be June 9-10. (Free Fishing Weekend is always observed on the Saturday and Sunday following the first Monday in June.)

For more information about the 1999 Free Fishing Weekend, please visit the Michigan Department of

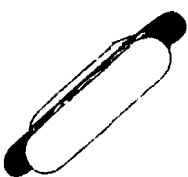

Natural Resources web site at: www.dnr.state.mi.us, or call the Fisheries Division at (517) 373-1280.

OPINIONS

ALMANACK

by Richard Milliman

Let's all give a hand to Janet Reno

TIME ONCE more for one of our infrequent strolls ... barefoot among the potpourri...

RENO TOPS -- Attorney General Janet Reno may not deserve raves for everything she has done as one of President Clinton's longest serving cabinet members, but on handling her Parkinson's Disease, she certainly does.

Parkinson's can be a debilitating disease caused by absence of a chemical that permits us to move our limbs smoothly. Its victims usually shake, and the more advanced the disease becomes, the more violent the shaking.

It has no cure, and usually comes with age -- although youthful actor Michael J. Fox suffers from Parkinson's. Ms. Reno now is in Stage 2 on a scale of 1 to 5, and her

doctor describes her case as "mild."

Ms. Reno has not curtailed her schedule. She has been as active as ever, even though at times she shakes noticeably. She dismisses her tremors as a "phantom wing."

The point is, she does not dodge the question, she maintains a frenetic pace, and does not hide from the public.

Janet Reno has exhibited magnificent grace under terrific pressure, and for that, all America owes her a big round of applause.

WHAT VIOLENCE? -- In the wake of the Colorado school massacre, President Bill Clinton has emerged as Public Enemy #1 of violence in our lives.

He has challenged the entertainment industry: "There is still too much violence on our nation's screens, large and small."

The typical American, Mr. Clinton claims, sees 40,000 dramatized murders by age 18.

"Every one of us," Mr. Clinton recently said, "has a role to play in giving our kids a safe future, and those with greater influence have greater responsibility."

Right on, Mr. President. We're all with you.

Turn to reports on "collateral damage" from the Balkans. NATO bombs destroy a hospital. NATO bombs kill 19 prisoners when they hit a jail instead of a troop barracks (where presumably they could have slain hundreds instead of dozens). NATO bombs damage diplomatic properties of a half dozen countries.

Now, let's go over that part about wanton violence one more time.

FUNDS FOR SPORTS --

Michigan is not the only state where public money finances privately-owned sports facilities.

Florida has set aside \$7.5 million in state funds to help Vero Beach buy the Los Angeles Dodgers' training facility, fix it up, and lease it back to the Dodgers, who have been using it for several decades.

It seems Fort McDowell in Arizona has offered the Dodgers a new spring training facility.

Things were progressing smoothly until Florida Governor Jeb Bush, determined to stop spending taxpayer's money on sports teams, vetoed the plan.

Now the Arizona bid looks pretty good, as it may be the only offer.

Hmmm. Maybe Michigan could construct a domed city, turn on the heat lamps, and become a spring training mecca itself.

With the big surplus in the state

budget, it's worth a try.

OLE AND ADIOS -- Spain's top female bullfighter is calling it quits.

Echoing that great philosopher, Rodney Dangerfield, Christina Sanchez feels she doesn't get enough respect. The fans like her, but not male bullfighting colleagues.

Her manager admitted, however, that she's always had a bit of trouble killing the bull cleanly at the end of a fight. How come?

Her manager explained: "My theory ... is that women were born to give life and so it is hard for them to take it away."

Another problem for Christina Sanchez may be her manager.

JESSE SPEAKS -- Minnesota Governor Jesse Ventura's new

autobiography apparently tells it like it used to be.

"The book is blunt, blustery and profane," reported the Associated Press. Among Mr. Ventura's admissions, AP reports, is that he lost his virginity to a prostitute, used marijuana and steroids, and doesn't wear underwear -- all information that the public well could do without.

Minnesota State Representative Roy Terwilliger commented that if Minnesotans didn't know Jesse Ventura when they elected him, they certainly do now.

"I guess that proves that ignorance is bliss," said Terwilliger. "Frankly, I miss the bliss."

Richard Milliman is a veteran newspaperman and a contributing columnist to several Michigan newspapers.

EDITOR

School board responds to recent letter on drop-out rates

To the editor,

Thank you for the opportunity to present accurate data regarding Grayling High School graduation completion rates and drop out rates and to provide complete MEAP results for the past two years.

We are proud of the performance of the graduating class of 1999 on the high school MEAP which they took in the spring of 1998. We are waiting for the results of the MEAP tests given at grades 4,5,7,8 and 11 this last spring. The class of 1999 performed above the State average on all four tests (reading, mathematics, science, and writing).

High school MEAP results are given in two ways: State endorsed and meeting or exceeding Michigan standards (the higher standard); and State endorsed (the lower standard). At the higher standard, the Grayling High School class of 1999 scored 36.7% above the State average in science, 19.5% above the State average in reading, 10.5% above the State average in mathematics, and

6.4% above the State average in writing. At the lower standard they scored between 1.8% and 9.7% above the State average.

A total of 12 MEAP tests are taken by students in the five grade levels. District scores improved on nine of the 12 tests. The intense curriculum development completed by district staff during the past four years has had a positive impact on district MEAP results.

To address the issue of the drop-out rate at Grayling High School, please consider the following:

Each school district files a pupil headcount report to the State of Michigan in November. The report contains student enrollment data from the previous school year. The State makes a number of calculations from that report and includes them in their Michigan School Report on their web site. Among those calculations are the completion/graduation rate and drop out rate.

The relationship between the

Michigan School Report and the headcount report is confusing. The numbers reported by each district can not be compared with confidence as the data is compiled and reported differently from district to district. The State defines the completion/graduation rate as the number that "indicates the percentage of ninth grade students who will complete their senior year of school and graduate."

We have followed our freshman class through graduation for the classes of 1996, 1997 and 1998. We considered only those students who began as freshmen and did not move and enroll elsewhere during their four years of high school.

For the class of 1996, 148 students began as freshmen in the fall of 1992 and 43 moved or transferred to alternative education during the following four years. Eighty-five of the remaining 105 graduated for a completion/graduation rate of 80.9%.

For the class of 1997, 179 students began as freshmen in the fall of 1993 and 53 moved or transferred to alternative education during the following four years. One hundred-six of the remaining 126 graduated for a completion/graduation rate of 84.1%. For the class of 1998, 164 students began as freshmen in the fall of 1994 and 53 moved or transferred to alternative education during the following four years. Ninety-two of the remaining 111 graduated for a completion/graduation rate of 82.9%.

The number graduating includes only those who graduated in four years of high school. It does not include those who graduate a semester or year later.

As we analyzed the district reports to the State for the last three years, it became clear that different

methods were used to collect the data. Move outs and transfers to alternative education during the summer between school years were counted for the 1997-98 report but not counted for the 1995-96 and 1996-97 reports. This resulted in inaccurately high drop out numbers and inaccurately low completion/graduation rates for 1995-96 and 1996-97. The data listed above corrects that inconsistency.

The State defines the drop out rate as the percentage of students in grades nine through 12 who left school during the year, did not transfer to another school and did not return during the following school year. During the 1995-96 school year, 24 of 630 students dropped out; a percentage of 3.81. During the 1996-97 school year, 47 of 632 students dropped out; a percentage of 7.44. During the 1997-98 school year, 29 of 615 students dropped out; a percentage of 4.72.

In some cases, it is known when a student drops out of school. In other cases, it is not known where a student has gone when the student doesn't return to school in the fall. The student may have dropped out of school, may have moved and enrolled in another school with no notice, and may have graduated from another school. When there is no notification regarding enrollment in another school, the student is counted as a drop out.

We are proud of the direction of the district and of the accomplishments of our students.

Thank you.

Crawford AuSable Schools - a source of community pride

To the editor,

The positive achievements of Crawford-AuSable students and graduates should be an on-going source of community pride. A little research into the history of GHS alumni reveals the fact that our students and graduates have been among the most successful and highly recognized in the state and the nation, and our current students continue to excel. There are more examples than we can possibly enumerate in a short letter, but here are a few:

The COOR Area Talent Search: every year, the COOR Intermediate School District honors middle school students who score extremely well on the ACT (a test given to college-bound high school students). Once again, the school with the highest number of students honored (15), was Grayling Middle School.

The Michigan Competitive Scholarship Program: this year the state of Michigan awarded scholarships to those students whose combined scores on the four ACT subtests equaled 90 or better. Forty-seven percent of all GHS seniors who took the ACT qualified for this honor. This score is up from 34% last year.

The Annual Honors Convocation at the University of Michigan serves to recognize and commend undergraduate students who have earned distinguished academic records. In March of 1995, three of the students honored at this prestigious event were GHS alumni who had attended Crawford AuSable Schools from Kindergarten through 12th grade.

Fulbright Scholarships are among the most prestigious academic awards in the world. In 1997, one of Grayling High School's alumni was awarded a Fulbright Scholarship to study in Austria. Following his year abroad, he was accepted into the Edmund A. Walsh School of Foreign Service at Georgetown University.

Students from Crawford AuSable Schools continue to be accepted into top graduate schools in such areas as aerospace engineering, chemistry, classical anthropology, foreign service, music, law, and medicine.

A graduate of the class of 1954 went on to become vice president of Dow Chemical, and is currently on the Board of Trustees of Central Michigan University.

A graduate of the class of 1969 went on to become a representative in the state legislature.

The English Student of the Year at Ferris State University is a graduate of the class of 1994.

Grayling High School alumni include college professors, controllers of large corporations, judges, physicians, nurses, teachers, engineers, officers in the armed services, musicians, artists.

With the combined effort of families, teachers, staff, coaches, administrators and members of this community who give of their time and talents to help our young people throughout the years, our children can and do accomplish great things.

Sincerely,
GHS Counseling Department
Lynn Thompson

Grayling

Rudeness and ignorance are not appreciated

To the editor,

I want to gently tell human beings that just because a child has dark eyes and dark skin, don't assume that he or his German, Hispanic, Native American father can speak Spanish. It amazes us that people walk up and start speaking to our children in Spanish and think it's funny. Recently, our son was asked his name and told he didn't look like a Mitch - he looked like a Pedro!

My husband is a fourth generation American. We don't walk up to people and ask their nationality and then ask if they can speak it and shame them if they haven't taught their children.

We embrace our heritage (my husband speaks fluent German) but we do a Mexican hat dance about as often as you polka...

Your views are welcome on the Opinion Page. Letters may be typed or handwritten, but please double-space or use every other line and limit to 500 words.

Every letter must be signed and an

address and telephone number must be included to be considered for publication. Letters will not be published without the author's name. Phone numbers are not published.

All letters are subject to editing and will be printed as space allows.

Deadline for submission of Letters to the Editor is Friday at noon for consideration for publication in the following week's paper.

Is Crawford the county that can't pass school millages?

To the editor,

As many of you know, we are the county that cannot pass millages to better our community and schools. I am hoping to change people's minds to pass the upcoming school millage.

If we look back when we were in school, our parents and grandparents provided us with the best facilities, equipment and teachers that were available at the time. Today, with technology changing so fast, some things become obsolete almost before you start using them, so it becomes imperative for us to keep up and, yes, it costs money. Buildings

and equipment are well used and need repair or replacement just like our homes where things wear out.

I hope that enough voters rethink their priorities so we can pass the millage and give our students the best facilities, equipment, etc., that they deserve so they can enter the world of work prepared the best they can be. Many people use the excuse they are on a fixed income - so am I.

Please vote "yes" for the upcoming school millage.

Ron Wood

BRIEFS

Senior men to compete in pageant

On June 17 at 5:30 p.m. the will be reversed at the Senior Center when senior men will compete in the "MISSed" AMERICA PAGEANT. Contestants will be judged in swimsuit competition, evening gown parade, and interview. The audience will judge the contest. Any well-seasoned gentlemen interested in entering the competition may call Nova at 348-7123.

Ostomy support group meeting planned

The Straits Area Ostomy Association will hold its regular meeting on Saturday, June 13 at 2 p.m. in the auditorium of Northern Michigan Hospital in Petoskey. All ostomates and interested persons are invited. Call (517) 821-5721 for more information.

June Rotary Calendar winners drawn

The following are Rotary Calendar \$50 winners for the month of June: Brad Scheer, Luke Noss, Larkin Baker, Kathy Bourrie, Louis Baker, and George Matyn.

GHS wrestlers to hold car wash

The Grayling High School Wrestling Team will hold a car wash on Saturday, June 12 from 9 a.m. to 3 p.m., at the Grayling 7-Eleven, to raise money for team travel and lodging expenses.

Hosts needed for exchange students

Loving and caring families are needed to host international high school exchange students, ages 15 - 18 years. All students speak English, have medical and dental insurance, and bring their own spending money. Host families provide room, meals and lots of love. Traditional two-parent families and single parents, as well as retired couples, are welcome to host. For more information call, toll-free, Lorita Slesman at 1-877-856-0974; or Claude Wheeler at 1-888-389-1213, or his web site at: alltel.net/~wheeler.

Old Time Missionary Series scheduled

The Reorganized Church of Jesus Christ of Latter Day Saints will host an Old Time Missionary Series, presented by evangelist Leonard Barr June 17-20, at 7 p.m. each evening. Barr will use 100-year old historical charts in his presentations. For more information, call Branch Pastor Lacey Stephan at 348-9751. Everyone is welcome.

Community Hymn Sing to be held

A Community Hymn Sing is planned for Sunday, June 13 beginning at 6 p.m. at the Assembly of God Church on the North I-75 Business Loop (Old 27) just north of Grayling. Fellowship to follow. Those who wish to may bring a plate of food to pass. The church is air conditioned for summer comfort. For more information, call Pastor Ron Voelker at 348-8885 or 348-2588.

Lions' Lucky 13 winner announced

The Lions' Lucky 13 Raffle winner of \$100 for week #3 is Nancy Gunderson.

Help Center offers summer lunch bags

Summer lunch bags are available at the Crawford County Community Christian Help Center. The program is for the recipients of reduced and free school lunches. Call 348-6046 for more details. Hours are 11 a.m. to 3 p.m. Monday, Wednesday, and Friday.

52nd Canoe Marathon seeks volunteers

The AuSable International Canoe Marathon committee meets on the first Tuesday of the month at 7:30 p.m. at the Grayling Mini Mall. The marathon continues to be a volunteer effort and anyone willing to contribute is encouraged to attend the monthly meetings. The public is welcome to attend. For more information call Wayne Koppa at 348-2933.

Holiday Inn rummage sale this week

The Holiday Inn of Grayling will be holding a rummage sale to benefit terminally ill children and their families through the Give Kids the World organization. The group raises money to pay for accommodations, medical assistance and equipment to enable the children and their families to visit Walt Disney World. The sale will take place June 10 and 11, from 8 a.m. to 2 p.m. Donations continue to be accepted by the motel's Housekeeping Department. Call the Holiday Inn for more details.

Nunn recognized for life of Junior Deputy Program

Photo by Cheryl Raley

APPRECIATION SHOWN - Crawford County Undersheriff Kirk Wakefield (left) presents a plaque to retiring Frederic Elementary School principal Melvin "Pat" Nunn for all he has done to keep the Junior Deputy Program alive in the district. The presentation was made on May 27 in Frederic.

Assembly of God to host Jamaica missionaries

Reverend Steve Puffpaff, Assemblies of God missionary to Jamaica, will be the featured guest speaker at the Grayling Assembly of God, at 701 S. I-75 Business Loop, on Sunday, June 13 at 10:30 a.m.

Pastor Ron Voelker said Steve and his wife, Kim, have pursued a variety of ministry projects over the past ten years and have established a growing church in Kingston, Jamaica's capital, along with holding evangelistic meetings.

"Many people came to Christ through tent crusades and open air meetings," said Reverend Puffpaff. "I also helped organize citywide Good News Crusades around Jamaica, and preached in many of

the crusades.

The couple, along with their daughter Rachel, have an outreach that has touched every stratum of Jamaican society. Mrs. Puffpaff started a Women's Aglow group in order to reach upper class women and impoverished children receive hot meals and a Christ-centered education at the Latin America ChildCare school established in conjunction with the Puffpaff's church.

They also established Teen Challenge, helping people with substance abuse problems find Christ.

"Our ministry started in the inner city of Detroit," said the reverend. "We spent five years there and planted a church. This experience laid a foundation for our current ministry in the inner city of Kingston.

The public is invited to attend the Puffpaffs' missions presentation.

Garden Club plans to visit Cheboygan

The Kirtland Garden Club will journey to Cheboygan on Monday, June 21 to visit Spray's Gardens, the Opera House, and the Cheboygan Museum.

Club members will meet at Four Mile Road and I-75 at 8:15 a.m. that morning before leaving for Cheboygan.

There is a fee of \$1 each for the Opera House and the Museum. Reservations are a necessity as the Club will be making plans to have lunch at the Boathouse.

For more information or to make reservations, call Cheryl at (517) 366-9214, or Debbie at (517) 821-6244.

The Bible Speaks

Only Words?

To avoid a legal battle, the officials of Manhattan, Kansas recently removed a granite tablet engraved with the Ten Commandments. They were being sued by the American Civil Liberties Union and Americans United for Separation of Church and State. The groups alleged that the religious display violated constitutional provisions for the separation of church and state. The removal came despite a petition signed by more than 4,000 area residents, who urged the city to fight to keep the pillar. You may remember when a school in Kentucky was forced by federal courts to remove the Ten Commandments from their walls.

Many of these same people will fight in the name of the first amendment to protect pornography, sex perversion, violence and other immoral materials from censorship. This is the height of hypocrisy! If words can impact individuals so as to change their mind, character, and conduct for good! Why can't words impact individuals so as to change their mind, character, and conduct for evil? How can they ban Jesus Christ and embrace Marilyn Manson? How can they justify their persecution of the good news about Jesus Christ, while at the same time defending words which promote hatred, violence, and murder?

They would argue that movies, tapes, and games which promote hatred, violence, and murder do not cause a youth subculture of violence. Yet, they will argue that the Bible claims to be the Word of God and therefore our youth must be guarded so as not to read, believe and obey it. But they do not even believe the Bible is God's word. If they did, they would not dare call for its censor. Yet, they have the gall to attack God, the Bible, and truth, while piously protecting the evil and wickedness of Satan.

To illustrate the thinking behind the cultural conflict, we will share the account from a Pastor who wrote the ABC network. After describing the program he had been watching, he said, "ABC is obsessed (or should I say abcessed) with the subject of homosexuality. I will no longer watch any of your attempts to convince the world that homosexuality is OK. THE PRACTICE can be a fairly good show but last night's program was so typical of your agenda. The ABC online Webmaster responded: "How about getting your nose out of the Bible (which is ONLY a book of stories compiled by MANY different writers hundreds of years ago) and read the Declaration of Independence (what our nation is built on) where it says "All Men are Created

Equal" - and try treating them that way for a change!! Or better yet, try thinking for yourself and stop using an archaic book of stories as your crutch for your existence."

(Romans 1:22-25) "Professing themselves to be wise, they became fools, (23) And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. (24) Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: (25) Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. (26) For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature." "...Lord to whom shall we go? Thou hast the words of eternal life."

Pastor "B" Please pray for the ministry of this column and our church Websites at <http://freeway.net/~cba/> and at <http://www.geocities.com/Hearthland/Ranch/1263/>

Northern Michigan singles group plans summer full of activities

Whether interested in biking with a group, canoeing down the AuSable River, or just sitting and singing around a bonfire, Northern Michigan Singles has planned a summer of activities for the single adult over 25.

The Northern Michigan Singles is a group of Christian singles united under Jesus Christ to serve, strengthen, and build one another up. By serving the church, community, and one another they will glorify God and build His Kingdom. The group, formed in late 1998 for singles in and around northern Michigan, is open to any adult whether divorced, widowed, or never married.

Throughout the summer, singles may ride with other bikers on Thursday nights at 6 p.m. The ride begins at J. Cycle, 110 N. Otsego in Gaylord. Shop owner John Charest said he'll provide bikes and equipment from what he has available for those without. For more information, call Charest at (517) 732-6989.

For those who hesitate to dine alone, singles can join others on July 11 for a potluck dinner at the Evangelical Free Church on M-32 and on August 1, the group will dine at La Senorita.

Other events planned for June include a bonfire at the Otsego County Park on Friday, June 11 and a Road Rally/Clue Hunt on

Saturday, June 26.

For those wishing a more spiritual experience, a singles Bible Study is held at 7 p.m. on the first and third Tuesdays of the month at the Gaylord Community Church.

Concerts and a canoe trip down the AuSable River are planned for July. A pontoon day-trip on Burt Lake, as well as a Detroit Tiger baseball game are scheduled for August.

The group publishes a monthly newsletter detailing events and items of interest to singles over 25. Rides to events can be arranged. To be included in newsletter mailings, or for more information, write to: Northern Michigan Christian Singles, P.O. Box 493, Gaylord, MI 49735; or call (517) 732-2647, 732-1184, or 732-3617.

Church Directory

Have you ever had a toothache throb so that you could not eat or a hangnail so painful that it was impossible to use your fingertip? How conscious we become of the importance of even a small part of ourselves when we lose its use, if only for a short time. How we miss it and welcome it back with a renewed sense of appreciation.

Imagine the spiritually painful impact upon your life if you could not pray or if you were not allowed to worship as you wish? Though this is not a present fear in our country, just imagine for sixty seconds that it is a reality. How did you react? Pretty frightening, isn't it!

We have been given the opportunity for religious freedom. May we express a renewed gratitude to God for His blessings upon us as we worship this week at our church or synagogue.

Gypsy moth caterpillars defoliate area trees

The gypsy moth, one of the most common leaf-eating caterpillars in Michigan, defoliated about 730 acres in Crawford County last year, according to the Michigan Department of Natural Resources (DNR). There are steps that can be taken to control the creature's population, however.

Dangers: While gypsy moth feeding will generally not kill a tree, severe defoliation (75% or higher) can make trees more vulnerable to disease and other insect pests. Other stress factors, such as drought or poor growing conditions, coupled with gypsy moth defoliation, will result in a greater chance of the tree dying.

Generally, oak and other hardwoods produce a second set of leaf buds in late July or early August, which will usually produce enough energy for the tree to survive the winter. So, even if the tree's first batch of leaves is completely defoliated, it can still recover.

The gypsy moth caterpillars are still bothersome and can pose health risks to trees as well as people. Gypsy moth frass (feces) and dead bodies can cause a nuisance by cluttering outdoor recreational areas, and caterpillar hairs have been known to cause skin or eye rashes or allergies in some people.

Life cycle: Gypsy moth caterpillars feed on leaves of oak, aspen, apple, crabapple, basswood, and

other species of tree from late May to early July. They can be identified by the pairs of red and blue spots along their backs and their long dark hairs. In July, the caterpillars spin reddish brown cocoons and pupate for one to two weeks. The adult moths emerge from their cocoons between mid to late July and early August.

The moths live only a few days and do not feed. Females each lay one tan egg mass in July or August. The egg masses hatch the next year, in April or May.

Control measures: Gypsy moth populations have been controlled in part through the insecticide known as "Bt" (*Bacillus thuringiensis*), a bacterium found naturally on leaves and in the soil. Bt has been used to control gypsy moth populations in the northeastern United States since 1961. Bt does not harm humans, mammals, birds, fish, plants or "beneficial insects," such as honeybees and ladybugs. Bt causes the caterpillars to become sick and stop eating, resulting in eventual death.

On a smaller scale, there are steps you can take to keep control gypsy moth levels on your property.

Egg masses can be collected from common hiding spots such as trees, firewood and outdoor furniture and destroyed. Scraping egg masses into a container of soapy water will kill the eggs. They can also be burned or buried.

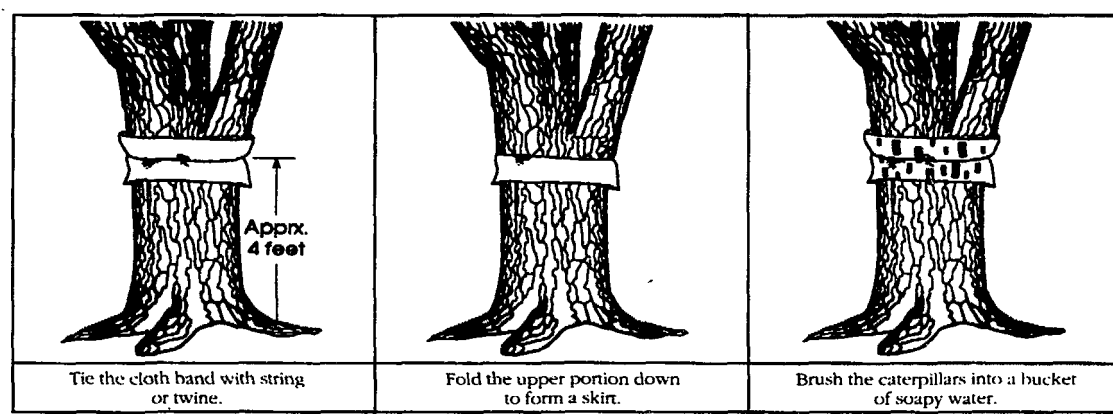

Gypsy moths can also be eliminated at the caterpillar stage. Using a 12-18 inch strip of dark, medium weight fabric construct an artificial hiding place for the caterpillars. Tie the cloth band with string or twine (as pictured) all the way around the tree. Fold the upper portion down to form a "skirt" around the tree.

For best results, let the skirt be slightly ruffled so that caterpillars will have easy access to both sections of cloth. Caterpillars will collect under the cloth during morning hours. For best control, sweep the gypsy moth caterpillars from underneath the cloth into a bucket of soapy water (which kills them immediately) on a daily basis. Use a small brush or gloves to remove caterpillars, as some people experience an allergic reaction to gypsy moth "hairs."

Banding should be done in early and mid-June until the caterpillars pupate in July.

Property owners can also help combat gypsy moth numbers by avoiding "broad-spectrum insecticides," which can harm the moth's natural predators, such as birds, mice, predatory insects and insect parasitoids. Providing habitats for birds will also help keep gypsy moth populations under control.

Gypsy moth information courtesy of Michigan State University Extension and the Michigan Department of Natural Resources.

FREDERIC COMMUNITY LIBRARY NEWS

The Frederic Community Library will be having the Summer Film & Activity Program on Monday's starting on June 21 from 1 p.m. to 2:30 p.m. Dates for this program are June 21 and 28, July 12, 19, and 26, August 2 and 9.

Some of the activities planned are: reading books, watching movies, nature hike, walk to Frederic park, coloring and arts & crafts. Refreshments will be served at each program. There will be a "Summer's End" party for the last program. Requested ages are: 4 - 15 years old.

The Frederic Community Library will participate in the Summer Reading Program. This year's theme is "G'Day For Reading!" This program begins on June 3 and ends August 5. Readers can earn coupons from different sponsors by reading books. Sign up for the Summer Reading Program to learn and earn at the same time.

The Frederic Community Library is located at 6872 N. Old 27, in Frederic. The library is open Mondays & Tuesdays, 10 a.m. - 3 p.m. and Wednesdays & Thursdays, 1 p.m. - 6 p.m. Any questions about either of these programs, please feel free to call (517) 348-4067, or stop in.

Don't Forget to Vote!

Cancer doesn't discriminate. It doesn't care where you live.

Does that mean that people are on their own if they don't happen to live near a major cancer treatment center?

We've never thought so.

So we work closely with cancer patients throughout northeastern lower Michigan to help them come here for treatment. That includes everything from planning treatment to minimize how often they must travel, to helping them find a place to stay during outpatient treatment, to providing transportation.

Cancer can strike almost anywhere.

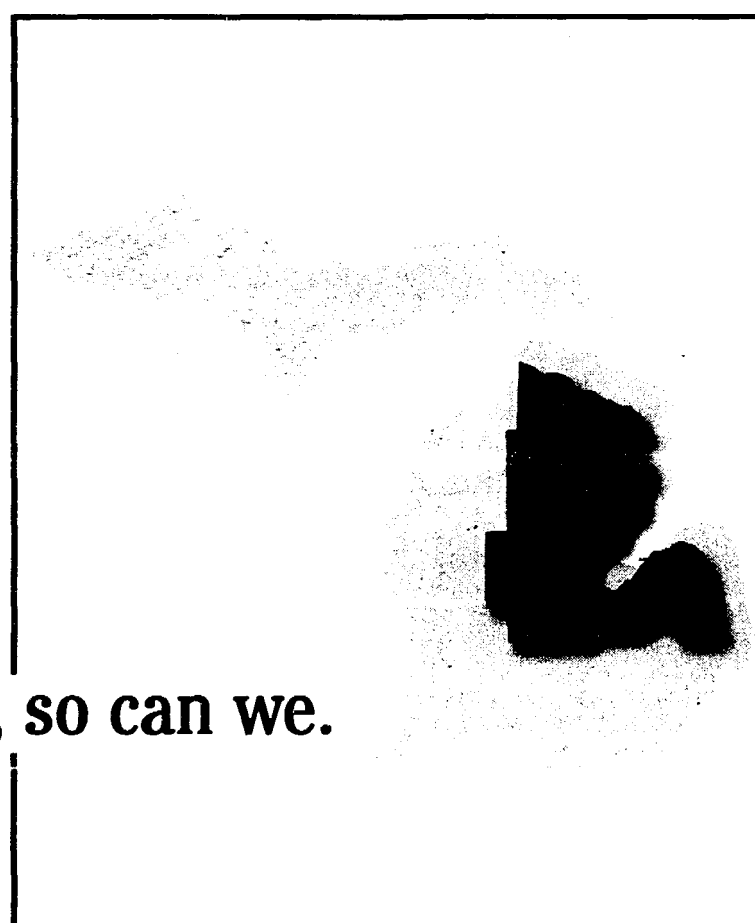

We work closely with physicians, hospitals and clinics throughout the region, to help them provide the best possible care for their patients.

And we provide outreach and screening programs in locations all over our service area, to help people detect cancer and pre-cancerous conditions as early as possible, and make sure they're aware of the resources available to help them.

It's one more way we're using today's technology to offer new hope for tomorrow - throughout the region we serve.

Fortunately, so can we.

Conservation group receives two awards

The Huron Pines Resource Conservation and Development (RC&D) Area Council received a regional award from the North Central RC&D for a special demonstration project called "AuSable River Woody Debris Enhancement Project."

The Woody Debris Project was selected as the 1999 Outstanding Measure from a seven-state area. The award was presented in April at the RC&D Annual Meeting in Toledo, Ohio.

The project, which was organized and directed by Watershed Coordinator Brian Benjamin, involved airlifting 90 whole trees by helicopter to the banks of the AuSable River in Oscoda County. The effort was intended to provide fish with natural debris for habitation, which was particularly scarce in that stretch of river due to the effects of the logging era and the hydroelectric dam near Mio. The trees also help to provide cover for the various water creatures that fish feed on, as well as birds, amphibians, and reptiles.

According to Huron Pines, the Woody Debris Enhancement Project was the first time a project of that type had ever been attempted on a river such as the AuSable.

"This technology was the first time this was done east of the Mississippi," said Dan Sikarskie of RC&D. "They have done it out west. Now there's quite a bit of interest."

In order to receive the Outstanding Measure award, the project must create a direct benefit to the economy as well as the natural resources. In this case, the

improved fish habitat supports one of the leading industries of northern Michigan -- tourism.

Sikarskie said there aren't any plans for a similar project this year, but next year they are looking at trying it again, this time in Alcona County. A proposal is also in the works to do a woody debris project on the North Branch in 2000, he said.

Also at the RC&D Annual Meeting, Huron Pines was presented with the NRCS/RC&D Regional Earth Team for the accomplishments of the volunteers who participated in the program in 1998.

A total of 138 volunteers served nearly 2,000 hours on five different watersheds in northeast Michigan.

Photos courtesy of Huron Pines RC&D

AWARD CEREMONY -- (above, left to right) Richard Karsen of Alcona County, Chairman of the Huron Pines RC&D; Roger Frye of Montmorency County, Huron Pines Vice-Chair; Dan Sikarskie and Brian Benjamin, both of Crawford County; and Don Simon of Minnesota, President of North Central RC&D. Simon presents the award to the four representatives of Huron Pines for the AuSable River Large Woody Debris Enhancement Project, which involved airlifting 90 whole trees to the banks of the AuSable River near Mio last year. The trees provide shelter for fish and other water creatures, as well as nutrients to the water.

CRAWFORD COUNTY LIBRARY NEWS

The Crawford County Library now has two direct connections to the Internet for public use.

The direct connections allow for access to e-mail at web servers, telnet and to surf the world wide web and is free to the library due to a collaboration with I2K from Wyoming, just outside of Grand Rapids.

I2K, also known as Internet 2000, Inc., has been in business since 1994 with Grayling being the third connection in the 517 area code. For more information call 348-8022 or click on their web site at www.I2K.com.

The public access computers work on a first come first serve basis with 30 minutes to finish when someone else signs up. Printing costs 25 cents a page.

There is also another connection for staff use for answering reference questions and interlibrary loans.

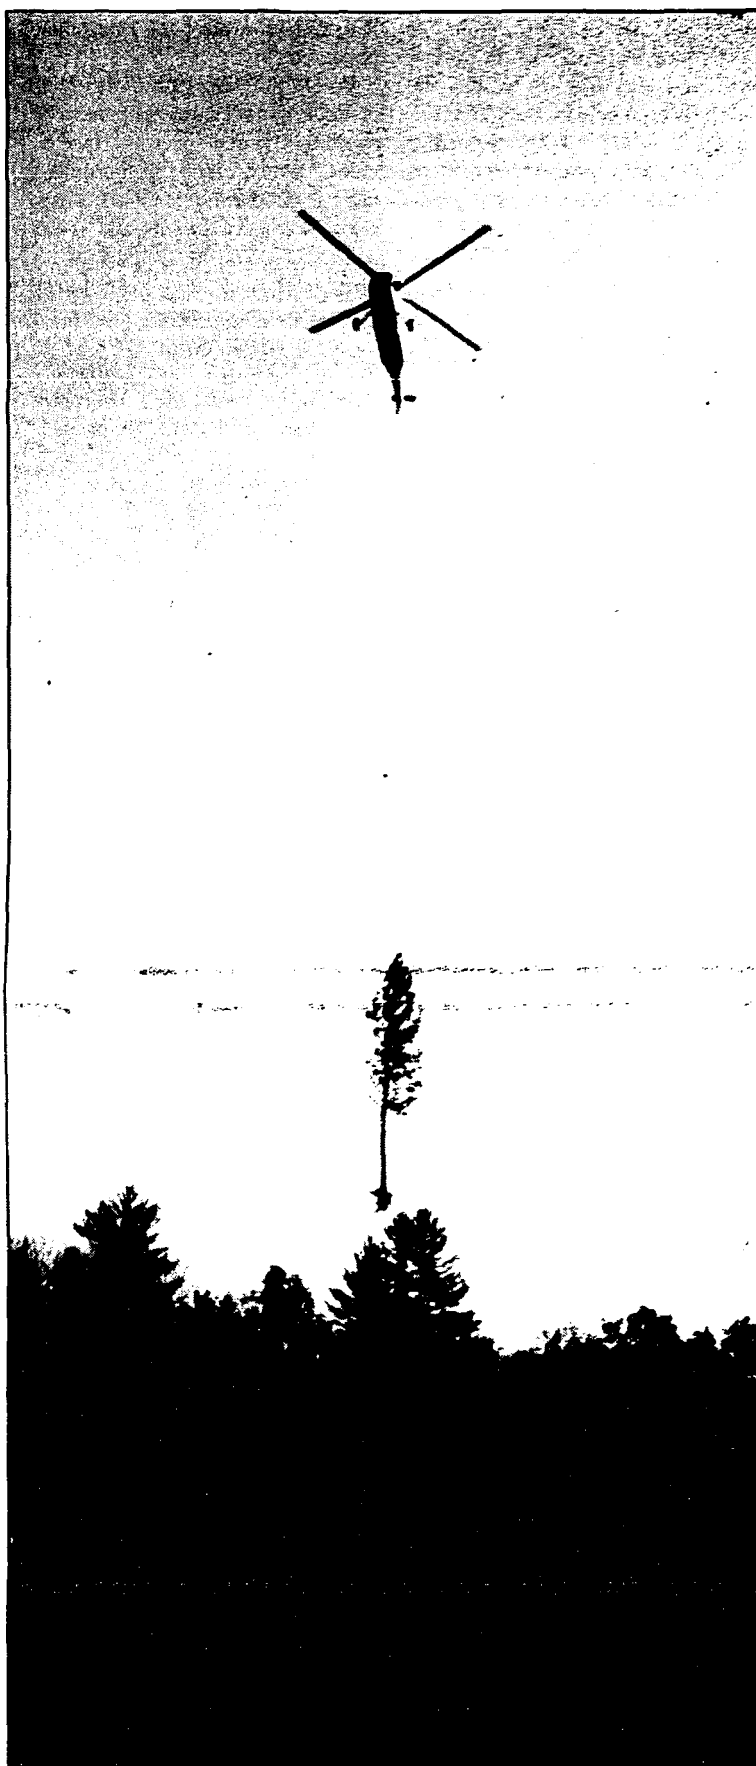

The Crawford County Library has the books *Computers Simplified*, *Internet for Dummies*, *Dummies 101 Creating Web Pages*, *Internet Complete Reference*, *Windows95 for Dummies*, *PC's for Kids and Parents*, *Microsoft Office for Windows95 for Dummies*, *Wordperfect 6 for Dummies* and *PC's for Dummies*.

For more information, call 348-9214.

The Crawford County Library is open Monday-Thursday 10 a.m.-7 p.m., Friday 10 a.m.-6 p.m. and Saturday 10 a.m.-2 p.m. Phone is 348-9214. www.grayling-mi.com/library/hm.

The Lovells Township Library is open Tuesday 10 a.m.-12 noon, Wednesday, Thursday, 10 a.m. - 3 p.m. and Saturday 12 noon-3 p.m. Phone is 348-9215.

The Frederic Community Library is open Monday-Tuesday 10 a.m.-3 p.m., Wednesday-Thursday 1 p.m.-6 p.m. Phone is 348-4067.

AIRLIFTING -- During the RC&D Woody Debris Enhancement Project last year one of the 90 trees involved is carefully lifted to the bank of the AuSable River in Oscoda County. The trees provide cover for fish and other creatures.

Industrial parade needs new floats and entries

by Cheryl Ruley
Staff Writer

What started as a very short parade, consisting of two hi-lo drivers tossing candy to the employees of Airway Automation, has turned into the 5th Annual Industrial Park 4th of July Parade.

Over the last five years, participation has grown to numerous floats and other entries by businesses and groups in and around the Industrial Park area, just east of Grayling off of M-72. This year's parade promises to be the biggest ever.

Airway Automation, sponsor of the parade, has added a new twist to 1999 version -- a food drive to benefit the Crawford County Community Christian Help Center. Spectators and entrants will be required to donate canned goods, non-perishable food items, toilet paper, toothpaste, soap, diapers, and other personal hygiene items to gain admission to the festivities.

Airway's philosophy is to have

fun celebrating our nation's birthday and create community spirit, while helping out a worthy cause.

Parade organizers are looking for more new and imaginative floats and entries to compete in such categories as "Mayor's Choice," "Most Patriotic," "Best Use of Color," and "Most Original." Trophies will be awarded in each category, with Empire National Bank employees judging the competition.

Everyone is welcome to enter the parade, whether it be business, civic, government, or private citizens. Don't forget the admission and entry fees of a donation.

The parade begins at "12 o'clock high" on Friday, June 25 at the corner of Hanson Street and Industrial Drive.

The festivities won't end until everyone has had their fill of hot dogs, potato chips, and watermelon. Only cost is a donation for the Help Center.

For information, call 348-5176.

Defibrillator training made possible through grants

The North Central Michigan Community Foundation (NCMCF) has awarded Mercy Hospital with two grants, fully funding rescue defibrillator training.

A grant in the amount of \$614 has been designated to fund the training of Roscommon County rescue personnel in the use of new defibrillator equipment being acquired by the hospital. This grant was funded by NCMCF's Morley Foundation Fund.

In addition, NCMCF has granted \$450 to fund the training of Oscoda County rescue personnel in the use of the same equipment. This grant was funded by NCMCF's Luer Fund, including "pass-through money" from the Dummy Club of Mio.

Oscoda and Roscommon County citizens will be the first of those served by Mercy Hospital to have their rescue personnel use the new equipment.

River settlers topic of historic book

Jean Bradford Kline has written a riveting story of early pioneer life in the AuSable River area titled *Beulah Land*.

At the turn of the century, a young family loaded on a raft their four children, all their possessions, including a cow, and poled it up river against the current.

They cleared land, built barns and laboriously hewed out their Beulah Land along the banks of the North Branch.

They were Ed and Bessie Kellogg. Ed was a self-taught, visionary pioneer who, with only a third grade education, built a state-of-the-art home in the wilderness, equipped with running water, electricity from a water wheel, central heat and full-poured concrete basement.

The Kelloggs raised 17 children and their big nine-bedroom log house still stands today on Down River Road.

They preserved its beauty and heritage in this true story of the American Dream.

A book review and tea was held

BOOK EXCHANGE — Jean Bradford Kline, author of local historic book, *Beulah Land*, exchanges books with Erma Harris, mother of the late writer and columnist Erma Bombeck, at a recent book review and tea in Arizona.

In Kline's honor in April, hosted by Erma Harris and Nancy Kline at a special New Author presentation in Sun City, Arizona.

A copy of *Beulah Land* can be purchased from the Lovells Township Historical Society for \$20.

Federal tax system unfair to small business owners

The latest quarterly *Small Business Barometer* survey finds that small business owners believe they are required to shoulder an unfair proportion of the overall federal tax burden.

Two hundred Michigan small business owners were surveyed in the first three weeks of February for the 21st edition of the *Barometer* research project.

In an effort to determine the types of problems small businesses are having with the federal tax code, survey respondents were asked to specify the difficulties that their firm has had with the tax code.

The largest proportion of respondents (28 percent) claimed that the most significant difficulty was that the tax code imposed excessively high rates for small businesses.

The high rates were a stronger concern than other problems such as difficult to understand rules or a burdensome compliance process. However, when combined, compliance difficulties outweighed high net rates.

Nearly half of the respondents (48 percent) mentioned that their greatest difficulty was related in some way to the compliance process.

In order to clarify whether the cost (in time and money) of compliance with the tax code or the actual amount of taxes was the major concern, respondents were asked to choose one or the other. Overwhelmingly, survey respondents believed that the amount of federal taxes (70 percent) posed more of a problem than compliance costs (30 percent).

Business offers address change service

Moving is one of the most stressful events a family faces. From packing and transportation to registering the kids in new schools, the list of things to do is endless. Farmers offers The Address Express™ service, available now in Michigan, Indiana and Ohio, to help take the hassle out of moving by taking care of address change notifications.

The Address Express is the nation's premier address change service. Farmers now offers this time-saving program free-of-charge to customers and non-customers alike. The Address Express service allows

you to accomplish the time-consuming task of changing your address in as little as 10 minutes. To receive the Address Express, contact any local Farmers agent.

Before moving, simply call Farmers' toll-free number (1-877-MOVE-123) to order the address change kit which includes a convenient and easy-to-complete form. When you receive the kit, list the names of the magazines, book and music clubs, catalogs, on-line-services and credit card companies you would like to receive your new address. You don't even need to

know the address of the publication or organization. The Address Express looks up all of the addresses for you.

In a few short weeks, you will receive verification of the requested changes and a package of personalized postcards to send to friends and family. As an added benefit, customers moving out of state and non-customers will be contacted by a Farmers agent in their new hometown to help them make a smooth transition. It's Farmers' way of saying 'welcome to the new neighborhood.'

Spencers named Good Neighbors in Grayling

Photo courtesy of Empire National Bank

GOOD NEIGHBORS - Marshall and Helen Spencer were recently named 1999 Empire National Bank Good Neighbor Award recipients recognizing years of volunteer service in the Grayling area. With them, at right, is Char Fry, Manager of Empire's Grayling branch.

Empire National Bank announced the winners of the 11th annual Good Neighbor Award at the annual meeting of shareholders of Empire Banc Corporation on May 13.

Among seven residents of north-west Michigan to receive the honor were Grayling residents Marshall and Helen Spencer. They were presented with a plaque and a \$750

donation to the charity of their choice.

The Spencers have been volunteers with the Crawford County Family Independence Agency (FIA) since 1995. Marshall provides transportation for FIA clients, as well as those of Eagle Village and Kenquest House, a home for adolescent mothers.

As the contact person for the Grayling Chapter of Alcoholics Anonymous (AA), Marshall is involved in AA activities five days a week. He has devoted hundreds of hours to agencies in the Grayling community and always has a smile and kind word to accompany his selfless spirit.

"His personal warmth and service are extraordinary in his reliability and willingness to make himself available at any time," said Jim Lawless of the Crawford County FIA.

Helen works part time at the Kenquest House and also volunteers with the FIA.

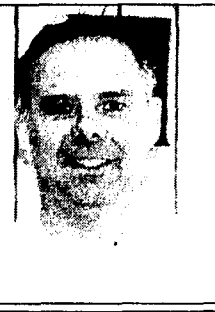

"Helen and Marshall are the most dependable drivers we have,"

Lawless said. "They are very dedicated and always get their Medicaid clients to their doctor appointments on time."

"Whether providing transportation or temporary housing to those in need, the Spencers are always available to lend a helping hand. The diversity of their volunteer work is a testimony to their Good Neighbor spirit," said Amy Johnson, Marketing Representative.

"The Good Neighbor winners are people who make their communities better places to live and work," said Empire's Chairman James E. Dummers, Jr. "The Spencers' consistent commitment to do whatever they can is truly appreciated by many in the Grayling area."

Empire National Bank's Good Neighbor Award was established in 1989 to recognize individuals or couples who volunteer their time and energy to serving others in each of the communities in which the bank has branches. Winners were chosen from nominations made by individuals and officials of local service agencies.

ELECT GARY J. PETTYJOHN CRAWFORD AUSALE BOARD OF EDUCATION

I have been a resident of Crawford County for 45 years.

I am committed to an education that enables all students to become informed and productive citizens, and to clear academic standards for what students should know and be able to do.

It is important for our school district to maintain our leadership role in technology for both staff and students.

I believe in a partnership between students, parents and the school district, we all should be able to approach each other with comments, concerns and questions and walk away satisfied that our input was respected and valued.

I support a strong discipline policy. If teacher are expected to teach and students are expected to learn then it is imperative that our schools are safe and provide an environment where education can take place.

Many promises are made by well meaning candidates while campaigning for a public office. Then, after election day, the reality and limitations of the job become painfully apparent. There is one promise I will make and keep. If re-elected to the Board of Education I will remember as always that I am a public servant.

Remember, election day is Monday June 14 and I would appreciate your vote. Thank you for your consideration.

Paid for by the candidate.

Hot August concerts peak summer Interlochen Arts Festival

The summer Interlochen Arts Festival heads into a grand finale with top guest artist and student performances.

Classic acts will take to the Interlochen stage: Motown's mighty Temptations and sultry singer Dionne Warwick share the bill August 25, with tickets ranging from \$17.50 to \$32.50; disco diva Donna Summer performs August 12, with tickets ranging from \$17.50 to \$32.50; heartwarming hitmaker Dan Fogelberg will be in concert August 3, with tickets ranging from \$17.50 to \$32.50; Anne Murray sings perennial favorites August 20, with tickets ranging from \$19.50 to \$34.50; and legendary entertainer Debbie Reynolds performs August 27, with tickets rang-

ing from \$17.50 to \$32.50.

There's jazz with the Duke Ellington Orchestra, with pianist & singer Diane Schuur, perform August 24, with tickets ranging from \$17.50 to \$29.50. Country/bluegrass "dream team" Ricky Skaggs, the Del McCoury Band, and Junior Brown team up for a "pickin' party" August 17, with tickets ranging from \$17.50 to \$32.50.

The zany feats of The Flying Karamazov Brothers come to Interlochen August 5, with tickets ranging from \$10.50 to \$22.50; the showmanship of Gaelforce Dance will wow audiences August 4, with ticket prices \$17.50 to \$29.50. The beloved Boston Pops Esplanade Orchestra,

with charismatic conductor Keith Lockhart, perform August 10, with tickets ranging from \$31.50 to \$46.50.

Leading the list of Interlochen student performances are weekend concerts by the World Youth Symphony Orchestra (WYSO), August 1, 7 & 8. WYSO ticket prices are \$8 for adults and \$4 for seniors and students 18 and under.

All performances will take place in Kresge Auditorium at 8 p.m. For tickets or more information, contact the Interlochen Box Office: (616) 276-6230. Box office hours: Monday - Friday, 9 a.m. - 5 p.m. Saturday hours: 10 a.m. - 4 p.m. Tickets may also be purchased at the Traverse City Convention and Visitors Bureau.

OBITUARIES

Viola Mae Reynolds

Viola Reynolds, 86, of Stockton California, formerly of Mt. Pleasant, died May 31 at the Plymouth Square Nursing Home in Stockton.

Mrs. Reynolds was born February 9, 1913 in Lovells to Archie and Rozella (Dolly) Kennedy. She lived in Grayling until 1940. She married Donald L. Reynolds, Sr., in 1930. She lived in Clare and Mr. Pleasant until 1995, when she moved to Stockton, California. She raised three children and worked as a sales person in appliances, sundries, dry goods, and World Book and as a waitress and cook until she retired. She was a member of the First United Methodist Church in Mt. Pleasant for many years and was a member of the United Methodist Women. She also participated in the Senior Center dance get-togethers.

She was preceded in death by her husband, Donald L. Reynolds, Sr. in 1982.

Survivors include: one son, Donald L. Reynolds, Jr. of Kansas City, Missouri; two daughters, Joan M. Prescott of Traverse City, and Jeannine D. Kennedy of Discovery Bay, California; four grandchildren; five great-grandchildren.

A memorial and burial service were held June 4, at Memorial Gardens, Mt. Pleasant with Reverend Ronald Thompson officiating. Arrangements were made by the Helms Funeral Home, Mt. Pleasant.

Viola will be remembered by her family and friends for her kindness, generosity, dependability and dancing.

Paul L. Henion

Paul L. Henion, 82, of Frederic, died May 30 at his residence.

Mr. Henion was born February 12, 1917 in Crystal Valley to Ernest Wilbur and Della (Beck) Henion. Mr. Henion had resided in Frederic since 1952, moving here from Royal Oak.

He was employed as a rural route mail carrier from 1959 to 1977, when he retired. He was employed previously as a fireman for the New York Central railroad for eleven years.

Mr. Henion married the former Pauline Roberts, on January 4, 1941, in Britton, Michigan. He served for 20 months in Africa and Italy with the U.S. Army during World War II.

He was a member of the American Legion Post 106, the VFW Post 3736, Grayling and he enjoyed fishing and hunting.

He was preceded in death by his parents, Ernest W. and Della Henion, two brothers and one sister.

Survivors include his wife, Pauline Henion of Frederic; one son, David (Mari Ann) Henion of Frederic; one daughter, Patricia (Michael) Tuma of Crofton, Maryland; one brother, Robert Henion of New Mexico; one sister, Betty Clark of Gaylord; seven grandchildren; three great-grandchildren.

Funeral services were held June 2, at the First Baptist Church in Frederic with Reverend Dr. Dale Hammond and Reverend Robert Taylor officiating. Burial was in the Oakwood Cemetery, Frederic.

The family suggest memorial gifts be directed to the First Baptist Church, Frederic.

In Memory Of

In Loving Memory of Arnold Hubbell

You are not forgotten,
Nor will you ever be.
As long as life and memory last,
We will remember thee.
We miss you now
Our hearts are sore,
As time goes by
We miss you more.
Your loving smile
Your gentle face,
No one can fill
Your vacant place.

Love,
Janet

Beatrice I. Tobin

Beatrice I. Tobin, 90, of Grayling, died June 1 at The Meadows of Grayling.

Mrs. Tobin was born May 16, 1909 in Vanderbilt to William and Laura (Carter) Wixson. Mrs. Tobin resided in Grayling for the past 11 years and was a former resident of Frederic for 36 years. She also lived in Nokomis, Florida for 17 years. Mrs. Tobin was employed for 30 years at AuSable Woodworking in Frederic before retiring. She was a member of the First Baptist Church of Frederic and the Order of Eastern Star Chapter 83, Grayling.

She was preceded in death by her husband, Max E. Tobin in 1988, and her parents, William and Laura Wixson.

Survivors include two sons, Willard "Bill" (Loretta) Tobin of Grayling, Edward "Dean" (Meri) Tobin of Lake Junaluska, North Carolina; one sister, Ethel Ramsey of Indian River; 12 grandchildren; 21 great-grandchildren; two great-great-grandchildren.

Funeral services were held June 4, at the First Baptist Church in Frederic with Reverend Dr. Dale Hammond officiating. Burial was in the Oakwood Cemetery, Frederic.

The family requests memorial gifts be directed to the First Baptist Church, Frederic.

Janice L. Riggs

Janice L. Riggs, 40, of Frederic, died June 5 at her residence.

Ms. Riggs was born September 21, 1958, in Parris Island, South Carolina to Herald and Dixie (Love) Riggs. Ms. Riggs was a life-long resident of Frederic. She was a graduate of Grayling High School. She worked as a waitress.

She was preceded in death by her mother, Dixie Riggs.

Survivors include her husband, Joseph H. Buckler of Frederic; one sister, Mitzi Riggs of Frederic; two brothers Stanley of Homestead, Florida and Rodney of Florida; her father, Herald Riggs of Frederic; one niece; one nephew.

Funeral services were held June 8, at the Sorenson Funeral Home McEvers Chapel with the Reverend Steven Scheer officiating.

The family requests memorials be directed to Amicare Hospice, Grayling.

Reinhart J. Krause, Sr.

Reinhart J. Krause, Sr., 93, died May 29 at Mercy Manor in Grayling.

Survivors include: two sons, Reinhart J. (Jacqueline) Krause, Jr. of Grayling, Gerard (Diane) Krause of Albuquerque, New Mexico; three grandchildren, Kevin (Sharon) Krause of Oakland, California, Shelly Krause of Tucson, Arizona, Blaine (Sue) Krause of Longwood, Florida; four great-grandchildren, Takoda, Griffyn, Taylor and Emily Krause.

Funeral services were held June 1, at the Alt and Shawmut Hills Chapel in Grand Rapids. Interment was in the Rosedale Memorial Park, Grand Rapids.

Memorial contributions may be made to the American Heart Association.

Card of Thanks

I would like to thank Dr. Rosi, nurses and staff at Mercy Hospital. Also cards, flowers, phone calls, visits and prayers from my friends.

A special thanks to Bob and Delores Buhl for all their care and concern.

God Bless You All
Irv McIsaac

Rita K. Wagar

Rita K. (Siders) Wagar, 48, of Gaylord, died June 6 at her home.

Mrs. Wagar was born May 13, 1951 in Celina, Ohio. She lived in Montezuma, Ohio before moving to northern Michigan in 1970. A graduate of Wright State University with a degree in education, she was a teacher for 23 years - 14 of which were at the Grayling Middle School. She was a member of the First United Methodist Church, the Faith Circle, the Otsego Memorial Hospital Auxiliary, and the A.A.U.W.

Survivors include her husband, Thomas; her father, Lovell (Wilma) Birt of West Jefferson, Ohio; one sister, Peg Gillan of Chillicothe, Ohio; niece and nephew, Lindsay and Matthew Gillan.

Funeral services will be held June 9, at 11 a.m. from the First United Methodist Church with the Reverend John Naile officiating. Burial will be in Fairview Cemetery.

The family suggest memorial contributions be made to the First United Methodist Church through the Nelson Funeral Home, 135 N. Center, Gaylord, MI 49735.

Kathleen Mikulin

Kathleen Mikulin, 71, of Houghton Lake, died June 1 at home.

Mrs. Mikulin was born October 28, 1927 in Allegheny County, Pennsylvania to Andrew and Katie (Davis) Egroff. She married Samuel Mikulin on May 17, 1953 in Detroit. Mrs. Mikulin moved to Houghton Lake one and one-half years ago from Grayling.

She was preceded in death by her husband, Samuel Mikulin in 1973.

Survivors include two sons, Mark (Nancy) Mikulin of Frederic and Gary Mikulin of Hamtramck; two sisters, Shirley and Francis; seven grandchildren; nine great-grandchildren.

Funeral services were held June 5, at the Christler Funeral Home, Houghton Lake, with Mr. Robert Russell officiating.

MILITARY NEWS

Air Force Airman Matthew S. Willett has graduated from the First Term Airman's Center at McConnell Air Force Base, Wichita, Kansas.

At the center, first-term airmen of grades senior airman, airman, and airman basic go through a 30-day program that provides a streamlined process for base and unit in-processing to help airman understand how they fit into their initial base assignment.

The program gives the airmen a broad brush introduction and orientation of the base mission and helps them to understand their role in the overall picture and get settled in minimum time.

The program involves five steps, which includes one-stop processing, professional briefings, ancillary training, mission orientation tours and base details.

Willett is a refueling truck mechanic with the 22nd Transportation.

He is the son of Ivan J. Willett of Roscommon and Karen D. Willett of Grayling.

The airman is a 1998 graduate of Roscommon High School.

A STORY THAT EVERY BANK WOULD LIKE TO TELL,
BUT ONLY EMPIRE BANK CAN.

The Sunny-side-up Teller

It was a great morning for a shopping trip to the mall. Of course, Bernadette didn't plan on leaving her purse in the car when her husband dropped

her off. This was more than just a disappointment—she was diabetic, and she needed breakfast. But without any cash, or identification, she was stuck. Then she recalled an ad in the paper about the service at Empire Bank.

Spotting an Empire branch across the parking lot, Bernadette soon explained her plight to teller Chris Slotnick. A smile, a "no problem" and a quick verification later, she was able to withdraw from her account. In short order she was digging into a hearty breakfast and her shopping trip was saved.

This really happened.

Signed,

Jim Dumas

Building Trades helps Habitat for Humanity

HABITAT BUILDERS - Students from Grayling High School's Building Trades class put in over 2,400 hours since November working on a Habitat for Humanity house on Manistee River Road. "Through this ministry of God, we helped you learn a trade and you've helped us make homeownership a possibility for a deserving family," said Sr. Naomi Holysko (far right) of Habitat. In an informal ceremony at the current house-in-progress, the young men were given certificates of appreciation, a Habitat T-shirt and their Golden Hammer pin in recognition of their hard work. Those recognized were: (front row) Joe McGraw, Otto Medeiros, Ray Pyle; (middle row) Luke Cross, Andrew Smith, Marcus Weaver, Tom Duncan; (back row) Joe Strelchuk, Eric Deline, Allen Dickie. Jeff Green was not present. Habitat Nurturer Jackie Case (far left) was on hand, as well as Habitat board member and builder/instructor Scott McClain. Building Trades teacher Larry Wilson (back row, right) was also recognized for his leadership and work.

Household Hazardous Waste Day nets more than 2.5 tons of toxins

Photo by Cheryll Ruley

ENVIRONMENTALLY FRIENDLY - Crawford County Environmental Monitor Pat Merrill (left) helps a technician from Drug & Lab Disposal of Kalamazoo (right) unload unwanted household hazardous waste for proper disposal, instead of going to the landfill or dumped in the woods. Merrill said the event netted 5,654 pounds of toxic materials, including mercury, DDT, and some interesting repellent. He hopes to schedule a hazardous waste collection day every year.

Former Grayling resident celebrates 103rd birthday

Bernadette Thelen

Sunday, June 6, was a day for celebration, as Mrs. Victor (Bernadette) Thelen, nee Cassidy, had a party for her 103rd birthday in Jenison.

"Bun" attended school in Grayling, worked in the Cassidy Bakery where David Shoppenagon preferred to have "Bun" with her black hair wait on him. She also worked in the Grayling Bank after attending Ferris State College.

A wedding reception for Bernadette and Victor Thelen was held at Shoppenagon's Inn, which her parents were operating in October, 1926.

Mr. and Mrs. William (Barbara) Boorn, "Bun's" daughter and son-in-law, of Grand Rapids hosted this birthday party. Among the many friends and relative attending were niece, Gwen Sievert and her husband, Robert, from Grayling.

"Bun's" recipe for a long life:

- 1 - Attend church.
- 2 - Cultivate friends.
- 3 - Read labels.
- 4 - Bake lots of cookies.
- 5 - Laugh whenever possible.

HONORS

Amanda Trudgeon

Amanda Trudgeon has been chosen to receive the 1998-1999 Benjamin Elmore Henig, M.D. Scholarship.

The scholarship was established in 1997-98 in memory of Dr. Henig by members of the community, physicians, and members of Dr. Henig's family.

The student selected was chosen on the basis of academic achievement at Grayling High School and interest in pursuing additional education in the area of science.

Trudgeon plans to attend Hope College to major in pre-medicine and is the daughter of Tom and Sharon Trudgeon.

Adrian College

The following area students have been named to the spring semester Dean's List at Adrian College. To qualify the student must earn a minimum of a 3.5 and carry at least 12 credits

Brooke I. Blaauw, a junior majoring in human services with a minor in psychology, is a 1996 graduate of Grayling High School and the daughter of Jed and Mary Kay Blaauw of Grayling.

Dennis R. Gugin, a sophomore majoring in business administration, is a 1997 graduate of Grayling High School and the son of Gary and Margaret Gugin of Frederic.

Valerie K. Poynter, a senior majoring in art, is a 1995 graduate of Roscommon High School and the daughter of David and Peggy Poynter of Roscommon.

Miami University

Gregory P. Mesack was awarded a Bachelor of Arts degree Sunday, May 9, at the Miami University commencement. He is the son of Paul and Judi Mesack of Grayling.

Anderson University

Matthew Judson Riedner has been named to the Dean's List at Anderson University.

To be named to the dean's list, a student must earn a semester grade point average of 3.5 or higher on a scale of 4.0.

Matthew is the son of Clement and Sandra Riedner of Grayling.

Madonna University

Mary C. Blaauw, of Grayling, a junior in majoring in social work has been named to the Dean's List in recognition for superior academic achievement during the past term.

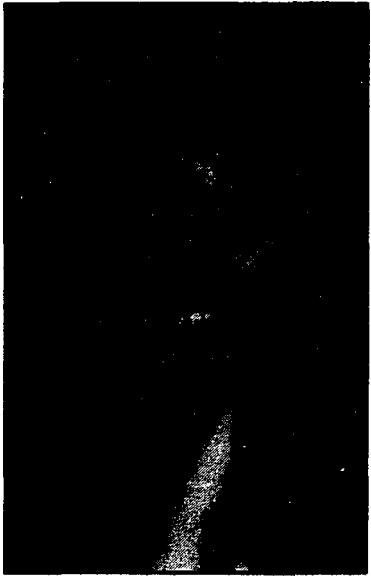

Hope College

Three area students have been awarded Alumni Honors Scholarships. To qualify for one the student must have a minimum 3.75 GPA or a minimum 3.5 GPA with one or more of the following: an ACT composite of 25, a combined SAT of 1140, or a minimum class rank of 80th%, and who have not been awarded an alternative merit scholarship from Hope. These scholarships are renewable through the senior year.

The two Roscommon area recipients are:

Krista McDonald, daughter of Dale and Elizabeth McDonald.

Alexis Mick, daughter of Donald and Barbara Mick.

Lindsey Voelker

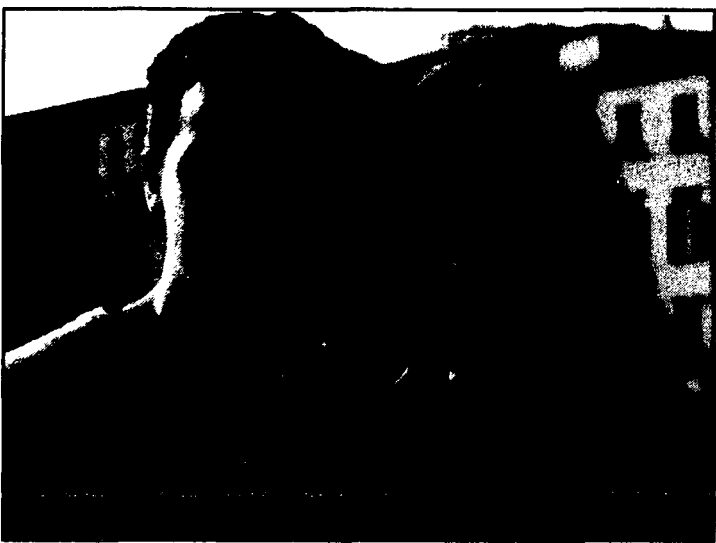

The Grayling area recipient is **Lindsey Voelker**, daughter of Ronald and Suzanne Voelker.

Aquinas College

Shane Hinkle, a 1995 graduate of Grayling High School, graduated with a Bachelor of Science - Business Administration on May 8.

He is the son of Douglas and Mary Hinkle of Grayling.

Thompson and Cucco to wed

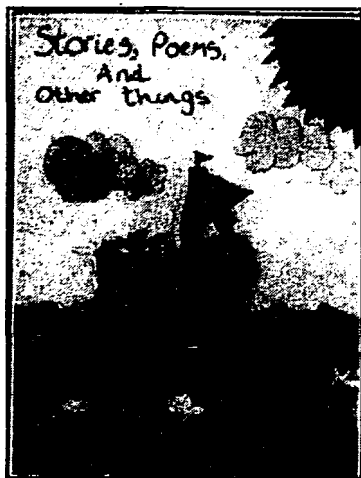

Mr. and Mrs. Randy Thompson of Grayling announce the engagement of their daughter, Angela Renee Thompson to Marco Cucco, son of Carlo and Anna Cucco of Turin, Italy. An August wedding is planned, weather permitting.

Angela graduated from Western Michigan University and has spent the last two years living and working in northern Italy.

Marco is a graduate of the University of Turin and is presently associated with Samsung, Inc. in Turin.

The bride and groom will make their home in Grayling and will pursue real estate careers with Century 21 River Country Real Estate of Grayling.

HOMETOWN NEWS

Ashley Renkes, granddaughter of Thomas and Jackie Renkes of Grayling, has compiled her favorite stories and artwork from the age of eight and published them in *Stories, Poems, and Other Things*.

The 12-year old author began her writing career in the early years of elementary school and her teachers fostered her talent. Some of her stories have been published locally in Ann Arbor, where she is a student in the public schools. Her art has been displayed in shows throughout the community, earning praise for its originality and freshness by a child.

Stories, Poems, and Other Things was released in February and is published by Proctor Publications, LLC and available by calling 1-800-343-3034 or at Amazon.com

HONORS

The 1999 Knights of Columbus Essay Contest was held during the months of April and May. The local contest was held in April and the State Contest in May.

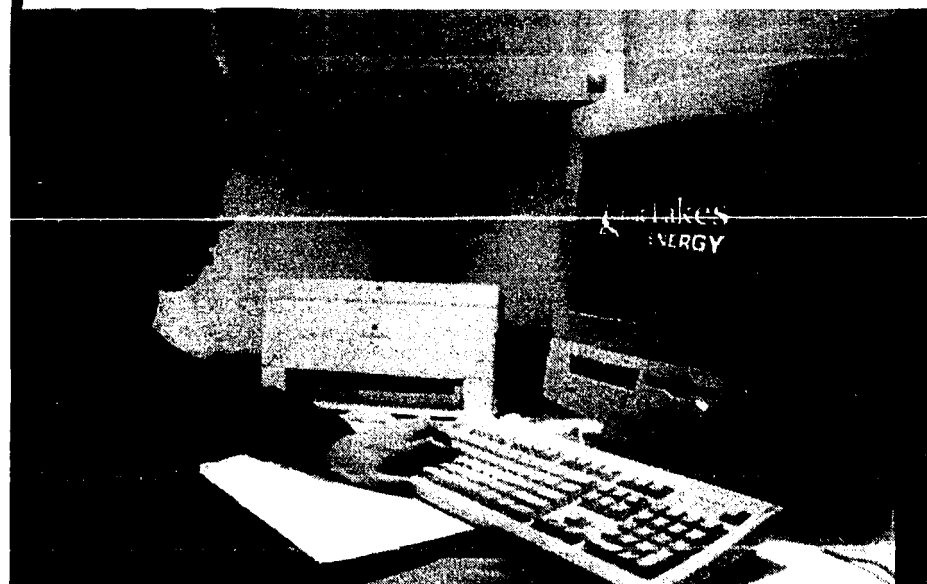

The top two winners from each local contest were entered in the State Contest.

This year's topic was "sportsmanship."

The top three winners from the Grayling area were Matt Seager (gold), Jill Seager (silver) and Tommy Evans (bronze). The essays by Matt Seager and Jill Seager were sent to the State Knights of Columbus contest.

Contest organizers said there were many excellent essays, but only two were awarded top honors.

Anglers name local contest winners

Nine students from Grayling High School have been named local winners in the First Annual AuSable River Words writing contest sponsored by the Anglers of the AuSable.

The nine students, who earned first, second, and third place awards for their school competed in three different areas, fiction, non-fiction and poetry.

The winners for the fiction division are Allison Pettyjohn, first; Krystan Bazzett, second; and Nicole Wyman, third.

The winners for the non-fiction division are Katie Southard, first; Jessie Becks, second; and Brandy Plutko, third.

The winners of the poetry division are Eric Thompson, first; Sara Autem, second; and Natalie Kent, third.

All nine received award certificates for their achievement. As the school's first place winners, Allison Pettyjohn, Katie Southard, and Eric Thompson have had their names engraved on a plaque for permanent display in the school.

The first and second place winners now advance to the inter-school competition between the three school districts along the AuSable River's mainstream: Oscoda High School; Mio AuSable High School, and Grayling High School. The top two winners at this inter-school level will win U.S. savings bonds. In addition, the winners will be honored at the Federation of Fly Fishers' Conclave at Higgins Lake in June.

The writing contest, open to all eleventh and twelfth grade students who attend school along the AuSable watershed, encourages students to be aware of the beautiful environs just beyond their backyards.

RANGE FIRING

Range firing scheduled June 9 through June 15.

Range 40 Complex, Air to Ground, located north of County Road 612, east of Guthrie Lake, south of Old State Road 618, and west of County Road F97 (Twin Bridge Road).

Range 40 Complex, located north of County Road 612, east of Sherman Rd. south of Old State Road 618 and west of County Road F97 (Twin Bridge Road). Mortar firing will be conducted.

Small Arms Ranges located west of Lake Margrethe, north of Howe Road, east of the gas pipeline and south of Portage Creek.

Viking Baseball and Softball teams lose District openers

The Grayling Viking Varsity Baseball and Softball teams were unable to overcome the Kalkaska Blue Blazers playing before the home crowds in Kalkaska last Saturday.

The Girls Softball Team fell behind the Blue Blazers early in the game and eventually lost 16 to 6. Sophomore Arica Wolcott, pitching for the first time in three weeks due to a foot injury, took the loss for Grayling.

Catcher Mandy Trudgeon, girl's Viking of the Year Award winner for the 1998/99 sports year, played in her final Viking contest and had a two run double to put Grayling on the scoreboard.

While the Kalkaska pitcher baffled the Viking batters with off speed pitches, the Blue Blazer hitters found holes in the Grayling defense to score in double digits.

Kim Hartman, Melanie Paxton, and Jean Zelek all played well defensively for Grayling in the defeat.

The Boy's Baseball Team lost by a score of 8 to 4 in a game that either team could have won. Coming off a victory last Tuesday over a Petoskey Northmen team that was 24-6 on the year, the Vikings had high hopes for a District Championship.

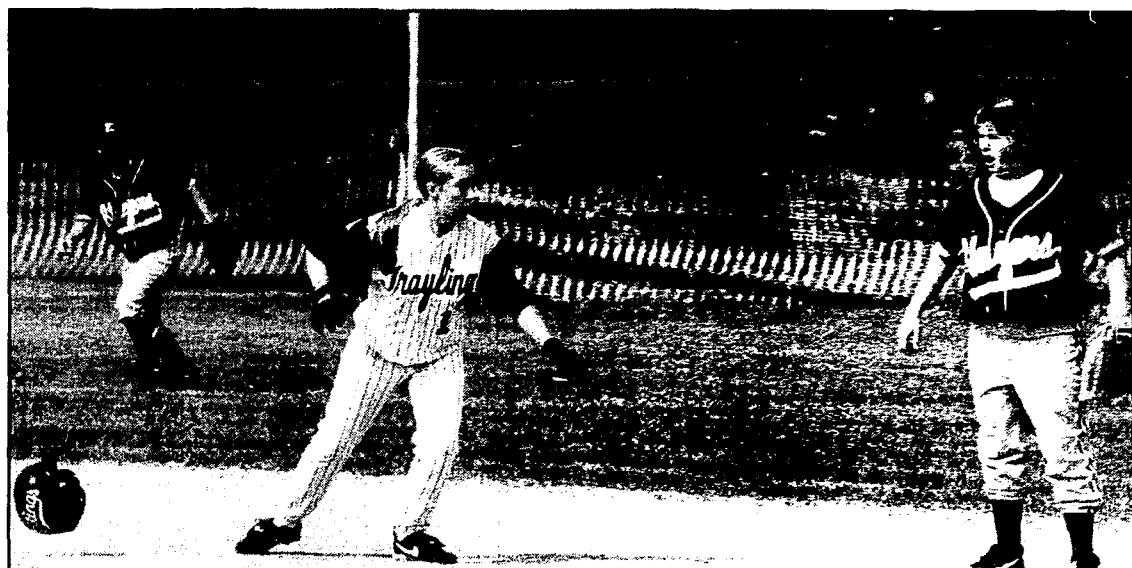

Grayling got off to an early lead in the first inning and an Eli Tobin

home run put the Vikings up by two runs late in the game.

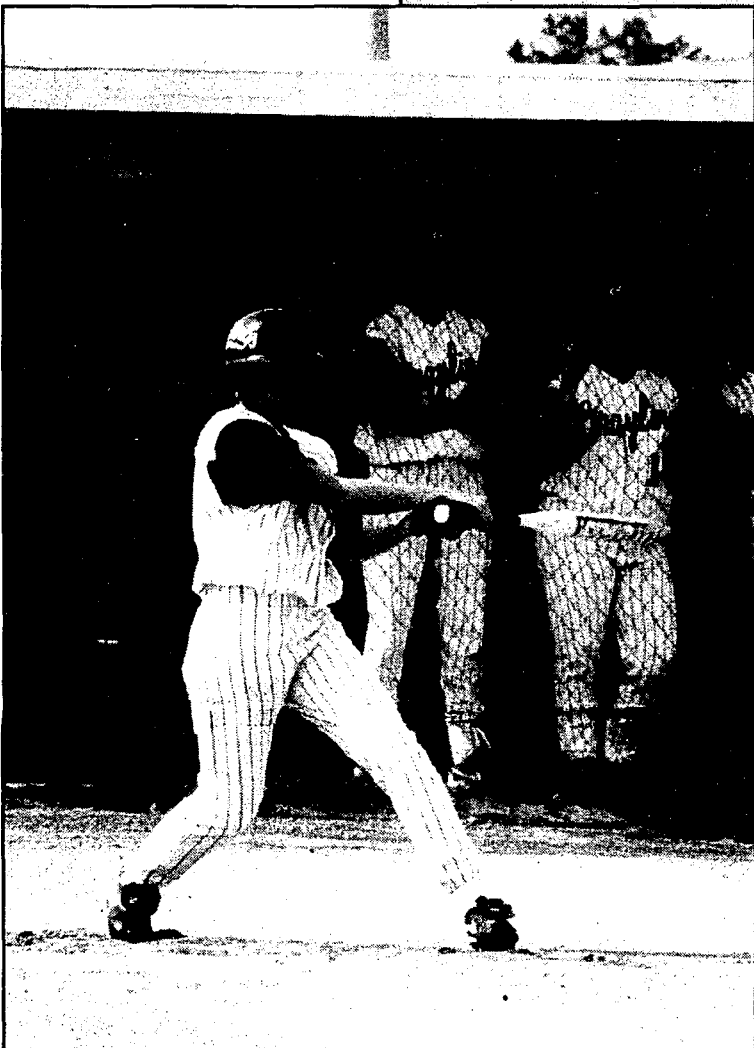

Unfortunately, several key errors in the field let Kalkaska gradually tie the game. A two-out, bases loaded double just off the glove of centerfielder Chad Ellis in the 6th inning capped the game for the Blue Blazers.

Josh Sheldon pitched a solid game in the defeat while sophomore second baseman Levi Burkett made several good plays in the field.

Seniors Jeremy Millikin and Travis Huber, boy's Viking of the Year Award winner, played their final Viking games with several good defensive plays and one hit a piece on the day.

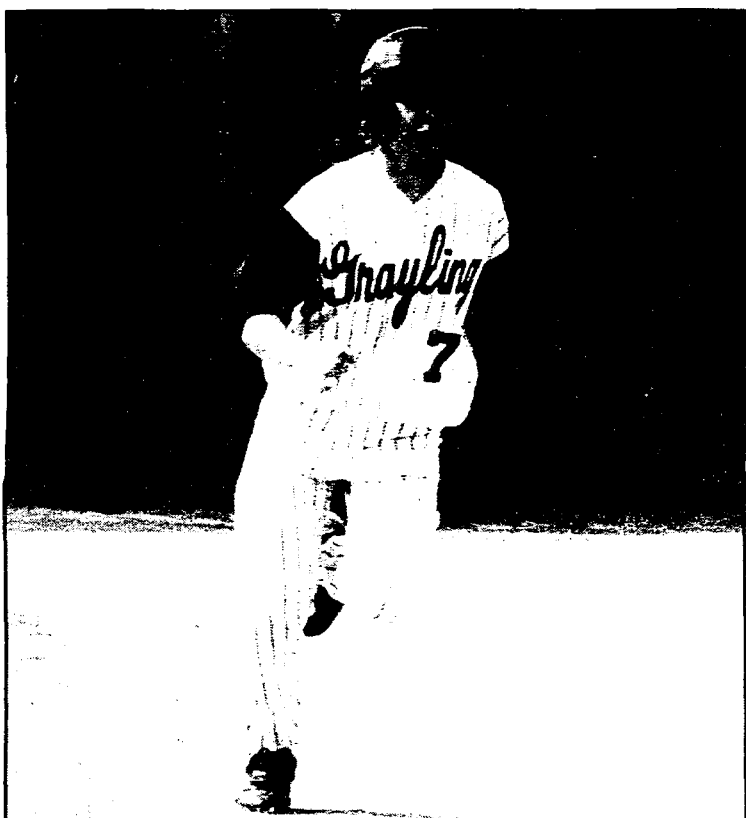

CONFERENCE -- (left to right) Jeremy Latuszek, Eli Tobin, and Rusty Strohpaal talk things over.

AT THE PLATE -- Andrea Elmy makes contact in the game against the Blazers.

ROUNDING -- Senior Mandy Trudgeon rounds second base in the District game versus Kalkaska.

TO FIRST -- Varsity softball player Kim Hartman runs to first base.

ON THE HILL -- Josh Sheldon throws one toward the plate.

MAKING THE THROW -- Second baseman Levi Burkett throws to first.

GHS track athlete takes 2nd in high jump at state

by Caleb Casey
Staff Writer

Nate Hinkle, a junior track athlete at Grayling High School, took second place in the high jump at the State Track Meet on Saturday, June 5, with a jump of 6'8".

The leap was a personal best for Hinkle, said Varsity Boys Track Coach John Chott.

"It is a big deal that he placed second at state," said Chott. "He is only a junior, and we look forward to greater jumps from him in the future."

Hinkle competed against a total

of 36 other jumpers at the State Meet, which was held at Bay City Western in Auburn. In Class B, Hinkle was topped only by an athlete from Jackson Lumen Christi, who cleared 6'9".

Hinkle had also qualified to compete in the long jump competition at state, but chose not to participate due to the considerable time length the event would have taken, his coach said.

To qualify for state, Hinkle took first at Regionals in the high jump with a jump of 6'6" and second in long jump with a leap of 21'1".

HIGH JUMP -- Nate Hinkle takes a practice leap over the high jump bar. Hinkle took second place in the event at the State Meet this past weekend.

**MAKING YOUR FUTURE
MORE PREDICTABLE**

**FOOT
NOTES**

by **Ronald K. Olm, D.P.M.**

RUNNER'S NAILS

Marathoners and other long-distance runners who rack up a lot of miles on their feet may ultimately develop blackened, disfigured toenails. The discoloration is actually dried blood under the nail. Take, for example, a man training for a road race. The longer he continues his run, the more his feet swell, making the shoe tighter and tighter. With each step, the runner bangs his nail against the front of the shoe. From this repeated friction and banging of the foot, the nail actually rubs against its own nail bed. The bleeding, then comes from the nail matrix, the cells from which new nail tissue grows. If the matrix is damaged severely, the dark and thickened nail may be permanent.

After any toenail injury, be sure to follow through with a professional diagnosis and treatment plan from your podiatrist. Early intervention can often speed healing and recovery time. And forewarned is forearmed - at GRAND TRAVERSE FOOT & ANKLE CENTER, P.C., we'll also recommend ways to prevent toenail or other foot problems from recurring. Don't suffer with any foot injury, condition, disease or other problem. Call on us instead at 1209 E. 8th Street, Traverse City. PH: 922-9100 & 800-968-7440. Offices in Traverse City, also Kalkaska Memorial Health Center Monday & Wednesday afternoons and evenings.

P.S. Your podiatrist may suggest an orthotic to help prevent recurrent trauma to toenails. As with any sport, see a professional fitter when you plan to buy your running shoes.

Little League dedicates field on Memorial Day

Memorial Day thundershowers held off for just enough time to allow Grayling Little League to dedicate the Senior League Baseball Field in honor of Michael J. Hatfield and the American Legion Post 106.

A multitude of family, friends and supporters turned out for the ceremony, which recognized the five Crawford County servicemen who died during the Vietnam War.

The theme of the dedication was,

"Those who sacrifice should never be forgotten."

Mr. and Mrs. Harold Hatfield, parents of Michael J. Hatfield, were present, as was daughter Shelly Rioux. Grandson "Little" Louie Rioux threw out the first pitch.

Local musicians Andy Hunter and Ryan Mirate played "Taps" and the "National Anthem" before the game, which featured Grayling's two Junior League teams, Georgia-Pacific and Legion.

FATHER/SON -- Harold Hatfield puts the finishing touches on son M.J. Hatfield's picture.

MUSICAL TRIBUTE -- (left to right) Andy Hunter and Ryan Mirate play "Taps" and the national anthem before the game.

FIRST BALL -- "Little" Louie Rioux, grandson of M.J. Hatfield, throws out the ceremonial first ball.

FAMILY GATHERING -- The Hatfield family gathers in front of the M.J. Hatfield Senior League Field sign.

Weyerhaeuser is title sponsor for eighth consecutive year

Canoe marathon entries continue to come in

The 52nd running of the AuSable International Canoe Marathon will take place July 24 and 25 from Grayling to Oscoda.

Entry to Oscoda for this year's event have been marked by greater than normal out-of-state interest. Entries from the states of Wisconsin, Texas, Minnesota, and Iowa have been processed.

This year's event continues to be offered on the Internet through the efforts of marathon volunteer Ken Wright at the web address of:

www.ausablecanoeathon.org

Wright processes requests for information and entry forms from those who log on. As entries are received, teams reserve their sprint day and start time, then Wright posts them on the web site for those out-of-town entrants, and outside the Race Office in the Grayling Mini Mall on the I-75 Business Loop for local paddlers to check.

Sprints for starting positions are scheduled for July 22 and 23.

The team of Amy Kingman and Lisa Salvini of Massachusetts was the first to enter the race this year. The team has top finishes at the Amateur Nationals and the General Clinton Regatta. Kingman is a National Whitewater Champion and a three-time Champion Sprint Champion and Salvini posted a third place finish in Pro Women at the 1996 Nationals.

Weyerhaeuser's Structurwood

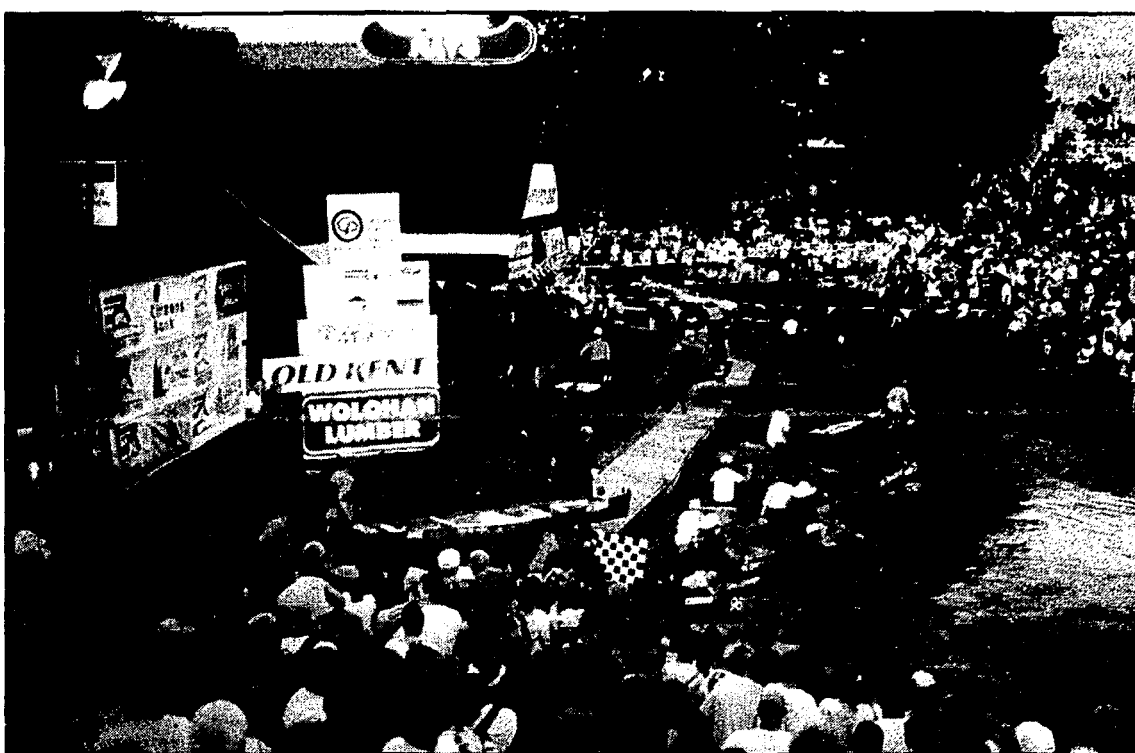

Photo courtesy of Wayne Koppa

AND, THEY'RE OFF - Each year thousands of spectators gather on the banks of the AuSable River to cheer on the canoe racers as they begin the AuSable International Canoe Marathon.

Mill in Grayling has committed to sponsoring the event for the eighth year in a row. "We are extremely proud to be able to help with this community conducted event, an event that brings the local area some positive visibility," said Weyerhaeuser facility supervisor

Phil Dennett.

Steve Southard, a long-time marathon volunteer said, "Weyerhaeuser has provided a level of support that allows Grayling to conduct an event that can be compared with races of this type anywhere in the world. We are

extremely lucky to have their support and appreciate the intimate interest they take in the challenges we face in conducting a professional, safe world-class canoe marathon."

To volunteer to help out with the Marathon, call (517) 348-2933.

COUNTRY CLUB NEWS

by Donna Thomson
Wednesday Ladies League

On Wednesday, May 26, it was a very cold start for us, but the sun was out and so began our warming trend. Do hope it continues on now for the rest of our season. I am ready for "warm!"

In Flight A, Joyce Ross had a low net of 32 and low putts of 15.

In Flight B, Katy McNamara had a low net of 28 and also low putts of 13. Katy also had a birdie on #17.

In Flight C, Shirley Schultz had a low net of 29, but low putts were shared by Sue Brenner and Mo McNamara with 17.

In Flight D, Eve Kent had a low net of 30 and another twosome shared low putts, those being Dody Burns and Rita McClain with 17.

Today there were six of us who had chip-ins: Dody Burns, Marilyn Hartman, and Ilene Hatfield had theirs on #10, Louise Hatfield on #13, Katy McNamara on #17, and Donna Thomson on #12.

I really can't recall hearing of so many in one round. Is this "skill" kicking in or just good old lady luck?

Speaking of luck, ask Ann Latusek about her "trick" shot on #11 for a par. Wish you all could have seen her face. I should probably start carrying a camera for these exciting events that occur.

The umbrella today was won by Mary Hamblin for the longest drive on #10.

For lunch we had salad, spaghetti and breadsticks. JoAn Michal brought and shared her birthday cake with us.

President Sally McNamara sent

around a sign-up sheet for A and B Flight who will be bringing food for our potluck on June 9. So if you were not here last week, please check the bulletin board and get your name on.

On Wednesday, June 2, the ladies league was rained out. About 25 gals braved the weather, but by 10 a.m. it was decided to officially call this a "rain day" and will be made up in August.

President Sally reminded those in A and B Flights of our upcoming potluck on June 9, and then off we went to clean and dust. I'd sure rather be golfing!

That's all "fore" now.

CHICKS WITH STICKS

Monday Night Golf League

(June 7) It was a great night. Dinner was delicious thanks to Annette and Amanda.

Prizes won were: Longest Putt, Val Walker; Longest Drive, Lori

Mastroneni; Most Putts (4), Kim Curtis; Closest to Pin, Laurie Krey; and a "Chip In" for the big bucks went to Sue Longendyke.

See ya on the fairway!

FISHING REPORT

Free Fishing Weekend: This weekend (June 12-13) is Free Fishing Weekend in Michigan. For these two days, all fishing license fees will be waived for both Michigan residents and nonresidents, but all other fishing regulations will still apply.

For more information about the 1999 Free Fishing Weekend, please visit the Michigan Department of Natural Resources web site at: www.dnr.state.mi.us, or call the Fisheries Division at (517) 373-1280.

Rivers (AuSable mainstream, North Branch, Manistee):

Sulphur hatches are winding down, but brown drakes are in full swing on all rivers.

More information is available at The Fly Factory's 24-hour hotline: 517-348-7108. (Info courtesy of Bob's Fly and Hackle and The Fly Factory.)

Lakes: Anglers are getting some pike by trolling with a rapala. Try

using a blue or silver-colored rapala. Use top-water baits for bass close to shore. Brown drakes and mayfly hatches are on, so top-water baits should be effective. Use a big fly imitation.

Fishermen are getting good numbers of walleye in the early evening and way after dark.

Anglers are also getting bluegill close to shore in the reeds using Michigan spiders and small leeches. (Info courtesy of Jack Millikin, Skip's Sport Shop.)

AYSO Soccer Team

On Saturday, May 22, the Grayling American Youth Soccer Organization (AYSO) Team (12 and under) split a doubleheader in Fairview, beating Kalkaska the first game and losing to host Fairview the second match.

Grayling edged Kalkaska by a final score of 2-1.

"Constant pressure by Tony English, Maverick Ginther and Jason Strohpaull resulted in the first goal by Jason Strohpaull," said Coach Katy McNamara. "The second goal was made by Alex McNamara. Jessica Pfaff played a strong defensive game."

"Greg Petrie and Gregg Kalonich kept pressure on the other team," she added.

Grayling lost to Fairview 2-0 in the second game.

"Goalie Emily Dunckley tried to keep the opposing team's score down with some powerful kicks," said Coach McNamara. "Greg Kalonich made a good attempt at scoring but his kick went wide. The team played good defense, but couldn't sustain the effort to make offensive plays by the second half of the game."

Little League raises funds with 'Home Run Cards'

Grayling Little League players are now selling "Home Run Cards" to raise money for the league's baseball and softball programs.

The card will entitle the holder to special deals from local businesses, including food from Subway, McDonald's, Grayling Restaurant, Burger King, Dairy Queen, Bucilli's Pizza and Arby's.

Cardholders will also be able to

get "2 for 1" deals for golfing at the Grayling Country Club and Timber Rapids (on weekdays only), as well as a buy one T-shirt, get the second at half price at Tees N' Such R Us.

All proceeds from the sales of the Home Run Cards will go to support Grayling Little League baseball and softball. Questions can be directed to Dee VanNuck at 348-3114.

LITTLE LEAGUE FUNDRAISER -- Coaches and players from the Rotary Club team display "Home Run Cards," a league fundraiser effort that will get buyers special deals on food, golfing, and T-shirts.

MERRITT SPEEDWAY

Under beautiful skies and 80 degree temperatures, Eric Spangler won the Parts Plus Late Model feature, staying ahead of Joe Johnson and Frank Seder who battled side by side for the second spot for half the race with Johnson finally finishing second and Seder third. Mike Sprague, Scott Goyings, Rail Rokos, Mark Pomranky, and Phil Hendershot rounded out the top ten.

John Gregga made his first appearance of the season and took home the "B" main win over Don Hawley, Eddie Thirby, Karl Jussola, and Mike Penske. Heats went to Jim Fairbanks, Dan Vance, Jussola, and Spangler. Goyings won the dash ahead of Rokos, Sprague and fast qualifier Goodwin.

The Ebels Family Center Michigan Modified Double Down feature was won by Mark Kurth as he passed Greg Wangler late in the race to take the win. Wangler, Roger Stieg, Rich Robinson, Bob Hudson, Dave Hatfield, Brent Banning, Brian Tregear, Bill Whittington, and Steve Fowler followed.

Fowler won the "C" main followed by Willard VanHaitisma, Kim Myas, Rich Robinson Sr. and Jim Fulton. In the "B" main it was Flash Myas, Darryl Chappel, Rick Urbach, Mark Tossey and Ken Keller. Heats went to Kim Myas, Tom Blake, Chad Bauer, Tossey, and Wangler.

Hudson won the dash on his first time at Merritt this year over Stieg, Banning and fast qualifier Kurth.

Young Roger Ransom took his Pro Truck to the winner's circle in the feature event for his first feature win ever as he held off Bill Myers, J.T. Anderson, Ron Hill, Rick Yarocho, David Schram, John Schneider, Don Collins, and Mark Kauffman. Nineteen trucks started the race as this class continues to grow.

Hill and Paul Rice won the heats and Hill also took the dash ahead of Matt Saxton, Leonard Ballor, and Schneider.

"After weeks of bad luck, Leon Bidoul finally won the Street Stock feature, followed by Dave DeKam. Ron Clay, Richard Peterson, Jim Lucas, Chris Brindley, Dan Williams, John Taylor, Bob Gorceyca, and Dan Fleming.

Louie Peterson won the "B" main but lost a wheel in the main to end his streak of wins in the main. Following Peterson in the "B" were Myron Wiggins, Taylor, Gorceyca, and Brad Siddall. Brindley, Bidoul, and Steve Zyczyzic won the heats.

Next week, June 12, the Auto Value Super Sprints will be at Merritt Speedway. The Michigan Modifieds will take the night off but the rest of the classes will be there for a full show. Dowker Engine will sponsor the Late Model Main.

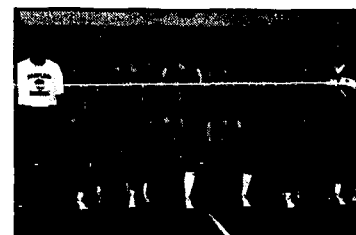

HONORS

The Grayling High School '98-99 Varsity Basketball Team was named an Honorable Mention for Academic All-State. The team members had a combined cumulative grade point average of 3.169.

The top school in Class B was Whitehall with a team GPA of 3.467.

One member of the '98-99 Grayling team, Nate Hinkle, earned an additional honor, as he was named to the Class B All-State

Third Team by the Basketball Coaches Association of Michigan.

'98-99 Varsity
Basketball Team

Glen's Market Viking of the Week

Varsity Boys Track

Coach: John Chott

NATE HINKLE

Nate took second place in the state in the high jump competition on Saturday, June 5, by clearing a personal best 6'8".

SYNOPSIS CRAWFORD COUNTY BOARD OF COMMISSIONERS Regular Board Meeting of May 19

The regular meeting of the Crawford County Board of Commissioners was called to order by Chairperson Lynnette Corlew, at 9:32 a.m. in the County Building on May 19, 1999.

Roll Call: Corlew, Wieland, Golinick, Hanson, Pinkelmeier, Bieslee.

Absent: None.

Sandra Moore, County Clerk - Present.
Paul Compo, County Controller - Present.

There were also other visitors present.

--Approved the Board Minutes for the April 14, 1999 Regular Board Meeting as presented.

--Approved the Board Minutes for the May 13, 1999 Special Board Meeting as presented.

--Approved an expenditure of up to \$200 for flowers, shrubs, etc. for beautification of the County Building grounds as requested by County Clerk Moore.

--Approved to send a letter to the Commission on Aging and the County Library informing them their general liability and property exposures can be covered under the County's policy with Municipal Underwriters of Michigan at a cost of \$100 each which could eliminate their yearly cost of \$2,500.

--Adopted the following budget amendments for the General Fund which would reduce the Revenues and Expenditures from \$4,688,436 to \$4,657,536.

--Approved to establish the Budget Hearing for September 15, 1999 at 10 a.m. and submit the 1999-2000 budget worksheets to department heads for next year budget requests at the request of Controller/Chief Administrative Officer.

--Approved to set the 1999-2000 Budget Workshop for July 8 and 9, 1999 from 9:30 a.m. to 3 p.m.

--Approve to offer Grayling Township an interlocal governmental agreement to participate in funding a COPS First Grant, a Recycling Project, Animal Control, 4-H programs, River Patrol, etc. and offer similar proposals to other units of government for a COPS First program and patrol of water ways.

--Approved to submit the \$300 application fee to the DNR for transfer of state property for the animal shelter and request receipt of the appropriate paper work.

--Approve to request a legal opinion from the Prosecuting Attorney relative to the Board's responsibility and jurisdiction on the 4% cost of living adjustment increase for Housing Commission employees prior to any action.

--Approved to authorize payment in the amount of \$2,185.66 to GTE to upgrade the Fujitsu IVS voicemail system and the Infotext OS-Plus 100 Call Accounting Package for Y2K compliance and charge same to the regular telephone expense line item.

--Approved following vouchers; General Fund - mileage and per diem for Duran, per diem for Leonard, prepaid vouchers and the open invoice report in the amount of \$92,088.12; Environmental Control Fund - \$8.52; Central Dispatch Fund - \$1,788.50.

--Accepted correspondence as submitted.

--Adopted the Resolution regarding the FY 2000 Community Mental Health Appropriation.

--Approved to endorse both Iron and Wayne Counties Resolution regarding the use of Tobacco Settlement Funds.

--Amended Correspondence list to add Communication #11.

--Approved to declare its support for the Kirtland's Warbler Festival and the many volunteers engaged in its production and designate the period of May 16-22, 1999 as Kirtland's Warbler Week.

--Approved to move the Housing presentation from NEMCSA directly after the Equalization Report.

--Amended the 1999 County Equalized Value in the amount of \$430,875,544.

--Approved to enter into the Housing Opportunities Program to provide additional affordable Housing within Crawford County through the efforts of the Northeast Michigan Community Service Agency.

--Approved to recess the Regular meeting and enter into an executive session to discuss a personnel issue at the request of an employee (11:35 a.m.).

--Approved to reconvened Regular meeting at 12:43 p.m.

--Approved to request a legal opinion from the Prosecuting Attorney regarding the Housing Directors jurisdiction and responsibility to the Housing Commission Board and/or County Board.

--Approved to authorize Mercy Health Services North permission to run the 10K race on a small portion of County Property on Saturday, July 24, 1999.

--Approved to authorize \$4,000 for Commissioners to attend the summer MAC Conference at Mackinaw Island, August 22-24, 1999.

--Approved to submit the County Purchasing Policy to Department Heads and advise GO-8 will become effective June 1, 1999.

--Approved Stable Value Retirement Fund in the Morley Stable Value Retirement Fund as an employee investment option under the Public Employees Benefit Services Corporation (PEBSCO) with Section 457 Deferred Compensation Plan.

--Approved to authorize the Prosecuting Attorney to file suit by June 1, 1999 if there is no resolution or solution on the Honeywell asbestos matter, or prior to the statute of limitations expiration.

--Approved to allow Commissioner Hanson to present his Commissioner report.

--Consensus of the Board to put the Northern Michigan Sustainable Forest Resource Alliance under Old Business for the June 16 Board meeting.

--Approved to authorize the Sheriff to enter into a vehicle lease agreement to initiate

water patrol at no cost to the County.

--Approved to ratify the action taken and authorize the signature of Chairperson Corlew to the grant application for submission of Substance Abuse liquor tax funding for Camp Shawano with no obligation to the County.

--Approved to appoint Fred Schaubly to the Transportation Authority for a term expiring June 30, 1999.

--Approved to send a letter to the Road Commission advising the Drain Commission duties will remain with the Road Commission and the County will continue to appropriate some funds for training.

--Approved to request the Planning Commission address the issues of eliminating the cross section requirement and consider square footage reduction.

Meeting was adjourned at 2:46 p.m.

A full context of the meeting minutes is on file in the Clerk's Office.

FEATURES

HOROSCOPES

For The Week Of June 13-19

- Aries**
March 21-April 20

Your thoughts are moving rapidly. There is no time to dawdle; be decisive and take the initiative. Let go of the status quo and try something new. Someone sitting on the sidelines just needs some encouragement from you.
- Taurus**
April 21-May 21

Now is the time for a change of pace. It's easier getting into a rut than getting out of one. Things going on behind the scenes will benefit you. Friends and foes alike recognize your appeal and ingenuity. Remember to keep your feet firmly planted on the ground.
- Gemini**
May 22-June 21

You have a chance for greater financial reward and increased responsibility. Move ahead slowly and be willing to defend your views and decisions. Someone you think is on your side may be playing a waiting game. Know it and act accordingly.
- Cancer**
June 22-July 22

Education is highlighted. Take a class, go to a museum or read a book—it will pay off. Ignore the temptation to procrastinate. Finish a current project or duty before you start something new. Your enthusiasm is catching, and others see you in a different light.
- Leo**
July 23-August 23

People may doubt you, but the final results win them over. You can turn on the charm when you need it, but you also need to know when to be tough-minded. A fresh start could lead to renewed romance and will improve your opportunities.
- Virgo**
August 24-September 22

Independence is emphasized—you need to take some risks. Go out on a limb and stand up for what you believe in. An unpopular position may be the right one. Now is the time to take your place in front of the crowd. Others are attracted to you.
- Libra**
September 23-October 23

You regain something you thought was lost this week. Your hard work deserves a reward—it's time for a celebration. Take a close look at yourself and where you're going. Your thoughtful nature comes in handy. Keep monitoring your health and fitness.
- Scorpio**
October 24-November 22

Keep a close eye on money and budgets. Be sure you're getting the quality you're paying for. Maintain your poise and refuse to get drawn into disputes. Be willing to help others, but don't forget your priorities. Follow your dreams.
- Sagittarius**
November 23-December 21

Perseverance and hard work pay off. Others thought it couldn't be done, but you did it. You are on a roll and make a good first impression. Be careful that you pay enough attention to domestic situations before they grow into difficult problems.
- Capricorn**
December 22-January 20

Focus on family and home issues. Show your appreciation when a friend or family member comes through when you need it most. Let your creativity shine. Try to sidestep obstacles and avoid confrontations. Take some time to pamper yourself.
- Aquarius**
January 21-February 18

It's time to do your best work behind the scenes. You'll know the right time to make your move. Your intuition is right on target. Financial problems get resolved in your favor. A personal situation seems confusing, but don't make a hasty decision.
- Pisces**
February 19-March 20

Balance home and work. Keep your priorities straight. Be sure you want what you're asking for—you just might get it! Keep an eye on finances. A family situation may require special handling. Be diplomatic, but it's up to you to say what needs to be said.

For Entertainment Purposes Only

RECIPE OF THE WEEK

CITRUS SLAW

1/4 cup fat free mayonnaise
3 tbsp. frozen orange juice concentrate thawed
1 tbsp. rice vinegar
1/2 tsp. salt
1/4 tsp. pepper
4 cups shredded napa cabbage
2 oranges, peeled and segmented
1 red apple, halved, cored & diced
1 cup pitted prunes, quartered
1/2 cup sliced celery
1/4 sliced green onions

In large bowl, whisk mayonnaise, juice concentrate, vinegar, salt and pepper. Add remaining ingredients. Toss thoroughly. Cover and refrigerate at least 1 hour to blend flavors. Toss before serving. Makes about 6 cups (six 1-cup servings).

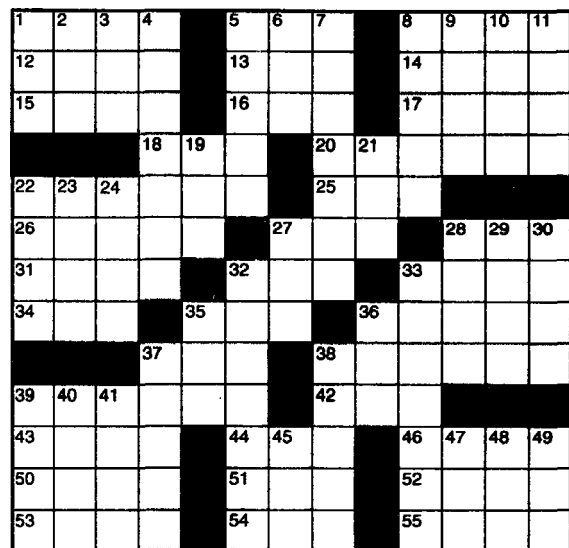

Nutritional analysis per serving: Calories 148; Protein 2 g; Fat .5g; Sodium 283mg; Potassium 50 mg; Calcium 67mg; Iron 1 mg; Folacin 55mg; Vitamin C 55mg; Vitamin A 76mg; Carbohydrates 37g.

1 cup serving provides 2 fruit and vegetable servings toward your 5 a day goal.

HOME NEEDED - This female Chow mix is house broken and 1-2 years old. To adopt any of the pets available, stop by or give the Animal Shelter of Crawford County a call at 348-4117.

ANSWERS IN CLASSIFIEDS

A LOOK AT OUR PAST

FROM THE PAGES OF THE AVALANCHE

23 Years Ago
June 10, 1976

View of inferno from about 100 yards away

One of the largest gas well fires in Michigan still burns with intensity in the far northeast corner of Crawford County following its explosion May 27. Red Adair, famed oil well fire expert from Houston has been at the scene since the 28th and with his company of men have been methodically planning the capping of the well. The drilling was within three days of completion when the inferno ignited and the loss of the rig cost about \$450,000. The DNR geologist at the scene, reported that the well was burning about three million cubic feet of gas with an estimated loss of \$5000 per day. He stated that that much gas would heat about 3,000 homes on an average winter day. Carmen Bigler, daughter of Mr. and Mrs. Robert Bigler will be spending the summer in Denmark and Scott Fick, son of Mr. and Mrs. Charles Fick will be spending the summer in Santiago, Chile. Both of

the Grayling High School juniors are going as part of the Youth for Understanding exchange program.

Frank Muth and Kenneth Burkhardt recently retired from Bear Archery with a combined work record of 42 years and 8 months. Muth worked in the Packaging Department fabricating bow quivers and Burkhardt worked as a Production Repair Man in the Bow Department.

Shawn Marie Lovely, 10 year old daughter of Roy and Barbara Lovely of Margrethe Manor in Grayling, won second place in the bicycle decorating contest in the Memorial Day Parade. The decorating was completely done by Shawn herself.

7. Miscellaneous

WOULD THE PERSON who took my Little Dutch Boy please return it as the little Dutch Girl is lonesome. Shame, sneaking around and stealing things in the night, this was something you could not see from the road, so you were snooping right up to my door. You know who you are, so please leave it in the night so I won't have to turn you in to the police. (-10/7)

8. Announcements
